Honorable J.D. Clark
County Judge
Wise County Courthouse, Floor 1
Decatur TX 76234

Re: Exemplary Performance

Dear Judge Clark,

This past Saturday night, my family encountered a medical emergency. After a nice afternoon of fellowship, my father fell suddenly ill. Emergency services were called and the Runaway Bay Volunteer Fire Department responded with Wise County EMS. They quickly determined that my father was experiencing a severe cardiac event. He was placed in an ambulance and transported to Wise Health System. I am pleased to report that while he is still in the hospital, he is alive, thanks to the Lord and the fine efforts of the Wise County EMS.

It is my understanding that Derrick Walls and Michael Smith responded to the scene and were joined en route by Brandon Doughtery. These gentlemen exhibited professionalism, medical knowledge and compassion. They administered electrical cardioversion (Defibrillation) while en route to the hospital. Dad was admitted and is now in cardiac ICU. He is expected to make a full recovery.

I cannot adequately express my appreciation to these men for their work. While we live in a rural area, Saturday night proved to me that we have the finest professionals on call to literally save lives.

Please allow this letter to extend my sincere appreciation to them for their efforts and I ask that you pass these sentiments on to their supervisors and the County Commissioners. I will be forever grateful. My father and my entire family join me in this gratitude. I would also be remiss if I did not also thank Britney Deming, the dispatcher that responded to our call.

Should you have any questions or seek further information, please do not hesitate to contact me.

Very truly yours,

Allen L. Williamson
