Commissioners Burns
Commissioner White
Commissioner Lamance
Commissioner Kennedy
and the gang.....

It has been an absolute honor to work with all of you over the past 23 years. When I came to the Sheriffs' Office in 1992, I had no idea I would end up at this end of the table. The support you all have given year after year to our goals, is amazing. There are a lot agencies across this Country that could not say the Commissioners court is filled with friends.

You all have been loyal to our crew, and we certainly have been loyal to you all. Being a Commissioner or Judge is not always a popular job, but I can say that all of you have been a valued partner of our tour team!

This change for us is exciting and we will close this chapter of the book and open a new one. Thank you for all you do for us at the Sheriffs' Office. As I knew this would be a hard decision, I had no idea it would be this hard!

This is time I can say: I don't care how you vote, I am going to do what I want to. Please accept this as my retirement notice effective December 31, 2015.

Thanks guys!!

David
