The contract will include 4 additional 1-year extensions to be exercised at the discretion of Commissioners' Court each budget year.

This contract may be canceled with 30 days written notification by either party to the other.

SPECIFICATIONS

It is the intent of these specifications to describe food suitable for feeding inmates in the County Jail.

Any catalog, brand name, or manufacturer's reference used in describing an item is merely descriptive and not restrictive unless otherwise noted, and is used only to indicate type and quality of material. Bidders must state exactly what they intend to furnish. If bidder takes no exception to specifications or reference data, he will be required to furnish items as specified in the bid.

2 copies must be provided.

The vendor must deliver three MEALS IN BULK PER DAY, SEVEN DAYS A WEEK. Breakfast and lunch meals will be delivered by 4:30 a.m. and the evening meal will be delivered hot by 3:30 p.m. every day. No more than twelve consecutive hours can pass between the dinner and breakfast meal.

Vendor must deliver visibly pleasing meals in bulk with the appropriate temperature for serving of at least 140 degrees for hot food and 45 degrees for cold food.

Vendor must provide, at no additional cost to the County, religious and medical diets as specified by the County.

A meal schedule must be agreed on between the vendor and the Sheriff's Office representative.

All menus and special diets must meet the standards for adult holding and detention facilities as established by the American Correctional Association.

The vendor must have on staff or be contracted with a licensed dietitian for menu planning and be prepared to respond to all grievances from inmates and/or the Texas Jail Commission.

Bidder must attach to this bid a proposed four-week menu complete with nutritional analysis.

All menus must be approved by the vendor's licensed dietitian prior to serving.

All employees and representatives delivering or preparing food must be experienced and have proof of State required food service industry medical and training certifications.

Vendor cannot assign, sublet, or transfer this contract for service to any other vendor.

All meals served must be in compliance with the 1989 Recommended Daily Allowance standard for adult males as established by the National Academy of Sciences and must provide an average of 2700 calories and all required nutrients per day.

The rights of the County inmates for basic health and nutritional standards must not be compromised in any way.

The bidder must have kitchen facilities capable of producing minimum food service required to serve an institution of like size.

The cost of the service and "as served" portion sizes of each menu must be calculated together. Noncompliance with this requirement will invalidate the bid.

Responsible representatives and contact phone and fax numbers must be made available to the Wise County Jail Administration and other County offices associated with food quality, service, contracts, billing, payment for services, etc.

The successful bidder must maintain standards established by Wise County, the ACA, and State and Federal Correction Food Service.

A company history, number of employees, facility locations, name, and telephone numbers of each facility contact person must be included.
