SPECIFICATIONS

It is the intent of these specifications to describe road oils, asphalts, emulsions, and other liquids used in road construction.

The bidder may bid on one or more products as specified on the bid form.

All deliveries will be made within a 30-mile radius of the Wise County Courthouse in Decatur and prices must reflect all delivery, freight, and pumping charges.

Some factors considered in awarding this bid may be delivery time, vendor supply, vendor performance, reputation, and bid price.

Minimum temperature at delivery must be 300 degrees Fahrenheit or 90 degrees Fahrenheit for emulsions.

Types and grades of products bid must meet specification of the Texas Department of Transportation 2004 Standard Specification for Construction of Highways, Streets and Bridges, Item 300. It shall be non-tracking and provide a bonding platform and be guaranteed to work with our pothole patch mix. The product shall be composed of a high melt point hydrocarbon plastic resin in a waterborne liquid form that is non-clogging and flows easy in all weather temperature.

The geographical location of various plants where materials may be obtained will be taken into consideration of the bid award. Thus, it is essential that bids accurately detail the locations of company facilities from which materials are to come.

Purchase contracts may be awarded individually by respective Wise County Commissioners as the ex officio Precinct Road and Bridge Commissioner, depending on that bidder's prices and proximity to County job sites.

The County is seeking prices for materials delivered by the bidder's personnel and equipment.

Bid is set price not profit margin.

In order to comply with State laws concerning competitive bidding while maintaining as much continuity as possible between the County and its contracted vendor(s), Wise County has elected to utilize a "fluctuating price" contract(s) which takes the changing market conditions into consideration over the contract period.

Pricing must remain firm for sixty (60) day increments. This specification provides for a price increase every sixty (60) days, if needed. All bidders desiring consideration of a price increase must supply documentation. This can result in a price increase or price reduction. This price must be approved by Commissioners' Court before it will be effective.

ESTIMATED QUANTITIES

Because Wise County's needs are seasonal in nature, it is not feasible to offer prospective bidders estimated quantities needed during the year. Wise County will in no way be bound to purchase any predetermined amounts under this contract. All purchases will be based on the county's actual needs.

GENERAL CONTRACT TERMS AND CONDITIONS

The contract price for this service must include all ancillary costs associated with the service.

The bidder reserves the right to charge any price desired as long as it does not exceed the bid price.

All invoices will be paid on a net 30 basis. No late fees or interest charges are to be assessed against the county.

Invoices must show the address and department where the service was required and the bid number. Each department/precinct must be invoiced separately.

Invoices must be sent to:

Wise County Auditor's Office
P.O. Box 899
Decatur, TX 76234
940-627-5744

Funds for payment on this contract have been provided through the Wise County budget approved by Commissioners' Court for this fiscal year only. State of Texas statutes prohibit the obligations and expenditure of public funds beyond the fiscal year for which a budget has been approved. Therefore, anticipated orders or other obligations that may arise past the end of the current Wise County fiscal year shall be subject to budget approval. The fiscal year for the County extends from October 1st of each calendar year to September 30th of the next calendar year.

The bidder must provide pricing (unit or lump sum) as requested on the bid form. Prices quoted shall remain firm for the period of the contract and shall include the cost of installation if required in the specifications, shipping, and delivery of item to the designated point unless pickup is required and stated in the bid and shall not include Federal or State of Texas sales, excise and use taxes.

The undersigned affirms they have familiarized themselves with the local conditions under which the work is to be performed and have satisfied themselves of matters that may be incidental to the work before submitting a bid.

Bidders must submit their bids on the attached forms and they must be originally signed.

Bids not submitted on these forms will be summarily disqualified. **NO 3 RING BINDERS**

Faxed or emailed bids will not be accepted.

By submitting and signing the attached bid forms, each bidder is indicating that he has read and understood the instructions, terms, conditions, specifications, and invitation to bid and agrees to comply with and be bound by its precepts. Submission of a bid form shall constitute an offer on such terms that shall remain open and irrevocable until such time as a bid submitted on same has been accepted by the Commissioners' Court of Wise County, Texas. Acceptance of same by the Court shall create a contract between the parties based upon the instructions, terms, conditions, specifications, invitation to bid, and the bid forms. **Award notice will include information on form 1295 disclosure that must be completed and returned prior to any bid award being considered final, contract being signed by Wise County, any Purchase Order being issued by Wise County, or any notice to proceed with work being issued by Wise County. Wise County cannot advise on the form 1295. As this is a new law and form, if you have questions, the Texas Ethics Commission implemented the law and generated the form so we would suggest calling them at 512-463-5800 or <https://www.ethics.state.tx.us>.**

Continuing non-performance of the vendor in terms of specifications shall be basis for termination of the contract by Wise County. Wise County shall not pay for work, equipment, or supplies that are unsatisfactory. Vendors will be given a reasonable opportunity before termination to correct the deficiencies. However, this shall in no way be construed as negating the basis for non-performance termination.

A Conflict of Interest Questionnaire and explanation has been included with this bid packet. If you have any questions about compliance, please consult your own legal counsel. Compliance is the individual responsibility of each individual, business, or agent who is subject to the laws filing requirements. If you are required to file a Conflict of Interest Questionnaire, the original signed questionnaire should be filed with the County Clerk's Office. **DO NOT INCLUDE THIS FORM WITH THE BID PACKET. IT WILL NOT BE FILED BY ASSET CONTROL.**

The bid analysis will include compliance to bid specifications, past performance with vendor, warranty, delivery time, and the overall cost to Wise County. Wise County reserves the right to consider deviations

from these specifications. All bids meeting the intent of this invitation to bid will be considered for award. Bidders taking exception to the specifications, or offering substitutions, shall state these exceptions in the section provided or by attachment as part of the bid. The absence of such a list shall indicate that the bidder has not taken exceptions and shall hold the bidder responsible to perform in strict accordance with the specifications of the invitation. Wise County Commissioners' Court reserves the right to accept any and all or none of the exception(s)/substitution(s) deemed to be in the best interest of the County.

Award, if any, will be made to the responsible bidder(s) submitting the lowest and/or best bid price(s) for the item(s) as specified and meeting all the requirements of the invitation to bid. All information required by the bid form must be furnished. To be determined will not be considered an answer. It should be understood by all bidders that Wise County reserves the right to reject bid submissions that do not meet the requirements of the invitation to bid and that do not contain all of the documentation detailed below.

2. Price form
3. Affidavit

Wise County reserves the right to accept and/or reject any and all bids for any reason whatsoever.

Wise County reserves the right to waive any minor technicalities.
