

INVITATION TO BID NO. 18-600-008
Wise County, Texas

BID TITLE: *Road Oils, Asphalts, Emulsions, and Liquids*

SEALED BIDS WILL BE RECEIVED UNTIL: *10:00 a.m. central time, Thursday, August 10, 2017*

RETURN BIDS TO:

*Wise County Asset Control Office
400 W Walnut, Decatur, or
P.O. Box 952, Decatur, TX 76234*

All bids must be submitted in a sealed envelope on the enclosed bid form and received on or before the time specified above. The bid envelope must have a return address in the upper left hand corner and the bid name and number in the lower left hand corner.

SCOPE

Wise County is now accepting formal sealed bids for a contract for the purchase of Road Oils, Asphalt, Emulsions, and Liquids.

This contract will be effective from October 1, 2017 through September 30, 2018.

This contract may be canceled with 30 days written notification by either party to the other.

SPECIFICATIONS

It is the intent of these specifications to describe road oils, asphalts, emulsions, and other liquids used in road construction.

Any catalog, brand name, or manufacturer's reference used in describing an item is merely descriptive and not restrictive unless otherwise noted, and is used only to indicate type and quality of material. Bidders must state exactly what they intend to furnish. If bidder takes no exception to specifications or reference data, he will be required to furnish items as specified in the bid.

The bidder may bid on one or more products as specified on the bid form.

All deliveries will be made within a 30-mile radius of the Wise County Courthouse in Decatur and prices must reflect all delivery, freight, and pumping charges.

Some factors considered in awarding this bid may be delivery time, vendor supply, vendor performance, reputation, and bid price.

Minimum temperature at delivery must be 300 degrees Fahrenheit or 90 degrees Fahrenheit for emulsions.

Types and grades of products bid must meet specification of the Texas Department of Transportation 2004 Standard Specification for Construction of Highways, Streets and Bridges, Item 300. Please include your specifications with the bid. For EC-30 please see Special Provision 300-031. For any that fall under special specification 3267-3268, no bonuses will be considered as part of this bid.

The material shall be homogeneous. It shall show no separation of asphalt after thorough mixing and shall meet the viscosity requirements at any time within 30 days after delivery.

All invoices must show the per-unit (per-ton) cost of the product itself and any hauling fees, if applicable.

HPCPE-50 product shall be a Liquid Geo-Tech membrane for pothole repair. The proposed item shall seal cracks in the side, bottom, and surface of the patch, form a waterproofing membrane to protect the pavement base material from water infiltration. The product shall form a tight high-density cementitious matrix, which encapsulates and fastens into the exposed aggregates porosity, forming a water and freeze-thaw resistant membrane. It shall be non-tracking and provide a bonding platform and be guaranteed to work with our pothole patch mix. The product shall be composed of a high melt point hydrocarbon plastic resin in a waterborne liquid form that is non-clogging and flows easy in all weather temperature.
