"Services" does not include activities unrelated to the project such as food/beverage vendors, office supply deliveries and delivery of portable toilets.

G. The contractor shall notify Wise County in writing by certified mail or personal delivery within 10 days after the contractor knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project.

H. J. By signing this contract or providing or causing to be provided a certificate of coverage, the contractor is representing to Wise County that all employees of the contractor who will provide services on the project will be covered by worker's compensation coverage for the duration of the project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier, or in the case of a self-insured, with the commission's Division of Self-Insurance Regulation. Providing false or misleading information may subject the contractor to administrative penalties, criminal penalties, civil penalties or other civil actions.
