Dear Judge Clark:

The purpose of this letter (this "Engagement Letter") is to confirm our agreement that PFM Financial Advisors LLC ("PFM") will act as financial advisor to Wise County (the "Client"). PFM will provide, upon request of the Client, services related to financial planning, budget and strategic advice and planning, policy development and services related to debt issuance for the anticipated refunding of the Client's Lease Revenue Bonds, Series 2011, as applicable and set forth in Exhibit A to this Engagement Letter. Most tasks requested by Client will not require all services provided for in Exhibit A and as such the specific scope of services for such task shall be limited to just those services required to complete the task.

PFM is a registered municipal advisor with the Securities and Exchange Commission (the "SEC") and the Municipal Securities Rulemaking Board (the "MSRB"), pursuant to the Securities Exchange Act of 1934 Rule 15Ba1-2. If Client has designated PFM as its independent registered municipal advisor ("IRMA") for purposes of SEC Rule 15Ba1-1(d)(3)(vi) (the "IRMA exemption"), then services provided pursuant to such designation shall be the services described in Exhibit A hereto, subject to any limitations described thereon. PFM shall not be responsible for, or have liability in connection with, verifying that PFM is independent from any other party seeking to rely on the IRMA exemption (as such independent status is required pursuant to the IRMA exemption, as interpreted from time to time by the SEC). Client acknowledges and agrees that any reference to PFM, its personnel and its role as IRMA, including in the written representation of Client required under SEC Rule 15Ba1-1(d)(3)(vi)(B) shall be subject to prior approval by PFM. Client further agrees not to represent that PFM is Client's IRMA with respect to any aspect of a municipal securities issuance or municipal financial product, outside of the scope of services without PFM's prior written consent.

MSRB Rule G-42 requires that municipal advisors make written disclosures to its Clients of all material conflicts of interest and certain legal or disciplinary events. Such disclosures are provided in PFM's Disclosure Statement delivered to Client together with this Agreement.

PFM's services will commence as soon as practicable after the execution of this Engagement Letter by the Client and a request by the Client for such service. Any material changes in or additions to the scope of services described in Exhibit A shall be promptly reflected in a written supplement or amendment to this Engagement Letter. Services provided by

PFM which are not included in the scope of services set forth in Exhibit A of this Agreement shall be completed as agreed in writing in advance between the Client and the PFM. Upon request of Client, PFM or an affiliate of PFM may agree to additional services to be provided by PFM or an affiliate of PFM, by a separate agreement between the Client and PFM or its respective affiliate.

For the services described in Exhibit A, PFM's professional fees will be paid as provided in Exhibit B. In addition to fees for services, PFM will be reimbursed for necessary, reasonable, and documented out-of-pocket expenses incurred, including travel, meals, lodging, telephone, mail, and other ordinary cost and any actual extraordinary cost for graphics, printing, data processing and computer time which are incurred by PFM. Upon request of Client, documentation of such expenses will be provided.

This Engagement Letter shall be effective from December 12, 2016 until December 12, 2017 (the "Initial Term"), shall automatically renew for additional 1 year periods (each a "Renewal Term" and together with the Initial Term, the "Term") and shall remain in effect unless canceled in writing by either party upon thirty (30) days written notice to the other party or unless the anticipated transaction has been completed. PFM shall not assign any interest in this Engagement Letter or subcontract any of the work performed under this Engagement Letter without the prior written consent of the Client; provided that upon notice to Client, PFM may assign this Engagement Letter or any interests hereunder to a municipal advisor entity registered with the SEC that directly or indirectly controls, is controlled by, or is under common control with, PFM.

All information, data, reports, and records ("Data") in the possession of the Client or any third party necessary for carrying out any services to be performed under this Engagement Letter shall be furnished to PFM and the Client shall, and shall cause its agent(s) to, cooperate with PFM in its conduct of reasonable due diligence in performing the services. To the extent Client requests that PFM provide advice with regard to any recommendation made by a third party, Client will provide to PFM written direction to do so as well as any Data it has received from such third party relating to its recommendation. Client acknowledges and agrees that while PFM is relying on the Data in connection with its provision of the services under this Agreement, PFM makes no representation with respect to and shall not be responsible for the accuracy or completeness of such Data.

All notices given under this Engagement Letter will be in writing, sent by registered United States mail, with return receipt requested, addressed to the party for whom it is intended, at the addresses on the first page of this Engagement Letter.

All materials, except functioning or dynamic financial models, prepared by PFM pursuant exclusively to this Engagement Letter will be the property of the Client. Subject to the preceding exception, upon termination of this Engagement Letter, PFM will deliver to the Client copies of any and all material pertaining to this Engagement Letter.

The following professional employees of PFM will provide the services set forth in this Engagement Letter: Matthew Johansen, Jennifer Arndt, Graham Egan. PFM may, from time to time, supplement or otherwise amend team members. The Client has the right to request, for any

reason, PFM to replace any member of the advisory staff. Should the Client make such a request, PFM will promptly suggest a substitute for approval by the Client.

PFM will maintain insurance coverage with policy limits not less than as stated in Exhibit C. Except to the extent caused by willful misconduct, bad faith, gross negligence or reckless disregard of obligations or duties under this Engagement Letter on the part of PFM or any of its associated persons, neither PFM nor any of its associated persons shall have liability to any person for any act or omission in connection with performance of its services hereunder, or for any error of judgment or mistake of law, or for any loss arising out of any issuance of municipal securities, any municipal financial product or any other financial product or investment, or for any financial or other damages resulting from Client's election to act or not to act, as the case may be, contrary to or, absent negligence on the part of PFM or any of its associated persons, upon any advice or recommendation provided by PFM to Client.

PFM, its employees, officers and representatives at all times will be independent contractors and will not be deemed to be employees, agents, partners, servants and/or joint venturers of Client by virtue of this Engagement Letter or any actions or services rendered under this Engagement Letter.

This Engagement Letter represents the entire agreement between Client and PFM and may not be amended or modified except in writing signed by both parties.

Please have an authorized official of the Client sign a copy of this Engagement Letter and return it to us to acknowledge the terms of this engagement.

Sincerely,

DISCLOSURE OF CONFLICTS OF INTEREST AND OTHER INFORMATION

PFM Financial Advisors LLC

I. Introduction

Public Financial Management, Inc., PFM Financial Advisors LLC, and PFM Swap Advisors LLC (hereinafter, referred to as “We,” “Us,” or “Our”) are registered municipal advisors with the Securities and Exchange Commission (the “SEC”) and the Municipal Securities Rulemaking Board (the “MSRB”), pursuant to the Securities Exchange Act of 1934 Rule 15Ba1-2. In accordance with MSRB rules, this disclosure statement is provided by Us to each client prior to the execution of its advisory agreement with written disclosures of all material conflicts of interests and legal or disciplinary events that are required to be disclosed with respect to providing financial advisory services pursuant to MSRB Rule G-42(b) and (c) (ii). We employ a number of resources to identify and subsequently manage actual or potential conflicts of interest in addition to disclosing actual and potential conflicts of interest provided herein.

How We Identify and Manage Conflicts of Interest

Code of Ethics. The Code requires that all employees conduct all aspects of our business with the highest standards of integrity, honesty and fair dealing. All employees are required to avoid even the appearance of misconduct or impropriety and avoid actual or apparent conflicts of interest between personal and professional relationships that would or could interfere with an employee’s independent exercise of judgment in performing the obligations and responsibilities owed to a municipal advisor and our clients.

Policies and Procedures. We have adopted policies and procedures that include specific rules and standards for conduct. Some of these policies and procedures provide guidance and reporting requirements about matters that allows us to monitor behavior that might give rise to a conflict of interest. These include policies concerning the making of gifts and charitable contributions, entertaining clients, and engaging in outside activities, all of which may involve relationships with clients and others that are important to our analysis of potential conflicts of interest.

Supervisory Structure. We have both a compliance and supervisory structure in place that enables it to identify and monitor employees’ activities, both on a transaction and Firm-wide basis, to ensure compliance with appropriate standards. Prior to undertaking any engagement with a new client or an additional engagement with an existing client, appropriate municipal advisory personnel will review the possible intersection of the client’s interests, the proposed engagement, our engagement personnel, experience and existing obligations to other clients and related parties. This review, together with employing the resources described above, allows us to evaluate any situations that may be an actual or potential conflict of interest.

Disclosures. We will disclose to clients those situations that we believe would create a material conflict of interest, such as: 1) any advice, service or product that any affiliate of may provide to a client that is directly related to the municipal advisory work it is performing for such client; 2) any payment made to obtain or retain a municipal advisory engagement with a client; 3) any fee-splitting arrangement with any provider of an investment or services to a client; 4) any conflict that may arise from the type of compensation arrangement We may have with a client; and 5) any other actual or potential situation that We are or become aware of that might constitute a material conflict of interest that could reasonably expect to impair its ability to provide advice to or on behalf of clients consistent with regulatory requirements. If we identify such situations or circumstances, we will prepare meaningful disclosure that will describe the implications of the situation and how We intend to manage the situation. We will also disclose any legal or disciplinary events that are material to a client’s evaluation or the integrity of our management or advisory personnel. We will provide this disclosure (or a means to access this information) in writing prior to starting our proposed engagement, and will provide such additional information or clarification as the client may request. We will also advise our clients in writing of any subsequent material conflict of interest that may arise, as well as the related implications, our plan to manage that situation, and any additional information such client may require.

II. General Conflict of Interest Disclosures

Disclosure of Conflicts Concerning the Firm’s Affiliates

Our affiliates offer a wide variety of financial services, and our clients may be interested in pursuing services separately provided by an affiliate. The affiliate’s business with the client could create an incentive for us to recommend a course of action designed to increase the level of the client’s business activities with the affiliate or to recommend against a course of action that would reduce the client’s business activities with the affiliate. In this either instance, We may be perceived as

recommending services for a client that are not in the best interests of its clients, but rather are in our interests or the interests of our affiliates. Accordingly, We mitigate any perceived conflict of interest that may arise in this situation by disclosing it to the client, and by requiring that there be a review of the municipal securities transaction or municipal financial product to ensure that it is suitable for the client in light of various factors, after reasonable inquiry, including the client's needs, objectives and financial circumstances. Further, We receive no compensation from our affiliates with respect to a client introduction or referral. If a client chooses to work with an affiliate, we require that the client consult and enter into a separate agreement for services, so that the client can make an independent, informed, evaluation of the services offered.

Disclosure of Conflicts Related to the Firm's Compensation

From time to time, We may be compensated by a municipal advisory fee that is or will be set forth in an agreement with the client to be, or that has been, negotiated and entered into in connection with a municipal advisory service. Payment of such fee may be contingent on the closing of the transaction and the amount of the fee may be based, in whole or in part, on a percentage of the principal or par amount of municipal securities or municipal financial product. While this form of compensation is customary in the municipal securities market, it may be deemed to present a conflict of interest since We may appear to have an incentive to recommend to the client a transaction that is larger in size than is necessary. Further, We may also receive compensation in the form of a fixed fee arrangement. While this form of compensation is customary, it may also present a potential conflict of interest, if the transaction requires more work than contemplated and We are perceived as recommending a less time consuming alternative contrary to the client's best interest so as not to sustain a loss. Finally, We may contract with clients on an hourly fee bases. If We do not agree on a maximum amount of hours at the outset of the engagement, this arrangement may pose a conflict of interest as We would not have a financial incentive to recommend an alternative that would result in fewer hours. We manage and mitigate all of these types of conflicts by disclosing the fee structure to the client, and by requiring that there be a review of the municipal securities transaction or municipal financial product to ensure that it is suitable for the client in light of various factors, after reasonable inquiry, including the client's needs, objectives and financial circumstances.

Disclosure concerning providing services to State and Local Government Clients

We regularly provide municipal advisory services to state and local governments, their affiliates, and component units. While our clients have expressed that this experience in providing services to a wide variety of clients generally provides great benefit for all of our clients, there may be or may have been clients with interests that are different from (and adverse to) other clients. If for some reason any client sees our engagement with any other particular client as a conflict, We will mitigate this conflict by engaging in a broad range of conduct, if and as applicable. Such conduct may include one or any combination of the following: 1) disclosing the conflict to the client; 2) requiring that there be a review of the municipal securities transaction or municipal financial product to ensure that it is suitable for the client in light of various factors, including the client's needs, objectives and financial circumstances; 3) implementing procedures that establishes an "Informational Bubble" that creates physical, technological and procedural barriers and/or separations to ensure that non-public information is isolated to particular area such that certain governmental transaction team members and supporting functions operate separately during the course of work performed; and 4) in the rare event that a conflict cannot be resolved, We will withdraw from the engagement.

Disclosure Related to Legal and Disciplinary Events

As registered municipal advisors with the Securities and Exchange Commission (the "SEC") and the Municipal Securities Rulemaking Board (the "MSRB"), pursuant to the Securities Exchange Act of 1934 Rule 15Ba1-2, our legal, disciplinary and judicial events are required to be disclosed on our forms MA and MA-I filed with the SEC, in 'Item 9 Disclosure Information' of form MA, 'Item 6 Disclosure Information' of form MA-I, and if applicable, the corresponding disclosure reporting page(s) ("DRP"). To review the foregoing disclosure items and material change(s) or amendment(s), if any, clients may electronically access PFMFA's filed forms MA and MA-I on the SEC's Electronic Data Gathering, Analysis, and Retrieval system, listed by date of filing starting with the most recently filed, at:

III. Specific Conflicts of Interest Disclosures – Wise County, Texas
