

**Master Services Agreement  
Wise County (TX)**

This Master Services Agreement (this "Agreement") is by and between Wise County ("you" or "Customer") and Securus Technologies, Inc., ("we," "us," or "Provider"). This Agreement supersedes any and all other agreements (oral, written, or otherwise) that may have been made between the parties and shall be effective as of the last date signed by either party (the "Effective Date").

Whereas the Customer desires that Provider install an inmate telecommunication system and provide telecommunications and maintenance services according to the terms and conditions in this Agreement according to the Schedule and Work Orders, which are incorporated by reference into this Agreement;

Whereas the Provider agrees to install the inmate telecommunications system and provide telecommunications and maintenance services according to the terms and conditions in this Agreement and the Schedule and Work Orders, which are incorporated by reference into this Agreement;

Now therefore, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

1. Applications. This Agreement specifies the general terms and conditions under which we will perform certain inmate-related services and applications (the "Application(s)") for you. Additional terms and conditions with respect to the Applications will be specified in the schedules entered into by the parties and attached hereto (the "Schedules"). The Schedules are incorporated into this Agreement and are subject to the terms and conditions of this Agreement. In the event of any conflict between this Agreement and a Schedule, the terms of the Schedule shall govern. In the event of any conflict between any two Schedules for a particular Application, the latest in time shall govern.
2. Use of Applications. You grant us the exclusive right and license to install, maintain, and derive revenue from the Applications through our inmate systems (including, without limitation, the related hardware and software) (the "System") located in and around the inmate confinement facilities identified on the Schedules (the "Facilities"). You are responsible for the manner in which you and your respective users use the Applications. Unless expressly permitted by a Schedule or separate written agreement with us, you will not resell the Applications or provide access to the Applications (other than as expressly provided in a particular Schedule), directly or indirectly, to third parties. During the term of this Agreement and subject to the remaining terms and conditions of this Agreement, Provider shall be the sole and exclusive provider of existing and any future inmate related communications, whether fixed, mobile or otherwise, including but not limited to voice, video, and data (e.g., phone calls, video calls, messaging, prepaid calling cards, debit calling, and e-mail) and inmate software applications (e.g., automated grievance filing system, law library, etc.) at all existing and future correctional facilities under the authority of Customer in lieu of any other third party providing such inmate communications, including without limitation, Customer's employees, agents, or subcontractors.
3. Compensation. Compensation for each Application, if any, and the applicable payment addresses are as stated in the Schedules.
4. Term. The "Initial Term" shall begin on the Effective Date and shall end on the date that is 12 months thereafter. Unless one party delivers to the other written notice of non-renewal at least ninety (90) days before the end of the then current term, this Agreement shall automatically renew for 4 successive periods of 12 months each. Notwithstanding anything to the contrary, the terms and conditions of this Agreement shall continue to apply to each Schedule for so long as we continue to provide the Application to you after the expiration or earlier termination of this Agreement.
5. Service Level Agreement and Limited Remedy. We are committed to providing you with reliable, high quality Applications, and we offer certain assurances about the quality of our Applications (the "Service Level Agreement"). The Service Level Agreement for each Application is as set forth in the applicable Schedule. THE SERVICE LEVEL AGREEMENT SETS FORTH THE SOLE AND EXCLUSIVE REMEDIES FOR FAILURE OR DEFECT OF AN APPLICATION. WE DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ANY IMPLIED WARRANTY ARISING FROM A COURSE OF DEALING OR USAGE OF TRADE, AND NONINFRINGEMENT.

6. Software License. We grant you a personal, non-exclusive, non-transferable license (without the right to sublicense) to access and use certain proprietary computer software products and materials in connection with the Applications (the "Software"). In connection therewith, Customer represents that (i) it will be responsible for distributing and assigning licenses to its end users, and (ii) it will monitor and ensure that its licensed end users comply with all Provider Use Terms and Conditions and as directed herein. The Software includes any upgrades, modifications, updates, and additions to existing features that we implement in our discretion (the "Updates"). Updates do not include additional features and significant enhancements to existing features. You are the license holder of any third-party software products we obtain on your behalf. You authorize us to provide or preinstall the third-party software. Your rights to use any third-party software product that we provide shall be limited by the terms of the underlying license that we obtained for such product. The Software is to be used solely for your internal business purposes in connection with the Applications at the Facilities. You will not (i) permit any parent, subsidiary, affiliated entity, or third party to use the Software, (ii) assign, sublicense, lease, encumber, or otherwise transfer or attempt to transfer the Software or any portion thereof, (iii) process or permit to be processed any data of any other party with the Software, (iv) alter, maintain, enhance, disassemble, decompile, reverse engineer or otherwise modify the Software or allow any third party to do so, (v) connect the Software to any products that we did not furnish or approve in writing, or (vi) ship, transfer, or export the Software into any country, or use the Software in any manner prohibited by the export laws of the United States. We are not liable with regard to any Software that you use in a prohibited manner.

7. Ownership and Use. The System, the Applications, and related records, data, and information (excepting recorded communications, for which you retain ownership) shall at all times remain our sole and exclusive property unless prohibited by law, in which event, we shall have the unlimited right to use such records, data, and information for investigative and law enforcement purposes. However, during the term of this Agreement and for a reasonable period of time thereafter, we will provide you with reasonable access to the records. We (or our licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the Software and any copies, custom versions, modifications, or updates of the Software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to our Applications, the System, and our other products and services (the "Materials"). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

8. Legality/Limited License Agreement. For services related to Applications which may allow you to monitor and record inmate or other administrative telephone calls, or transmit or receive inmate electronic messages ("e-mail"); by providing the Application, we make no representation or warranty as to the legality of recording or monitoring inmate or administrative telephone calls or transmitting or receiving inmate e-mail messages. Further, you retain custody and ownership of all recordings, and inmate e-mail messages; however you grant us a limited license to compile, store, and access recordings or inmate calls and access inmate e-mail messages for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, or (iv) maintaining equipment and quality control purposes. This license does not apply to recordings of inmate calls or e-mail messages with their attorneys or to recordings or e-mail messages protected from disclosure by other applicable privileges.

9. Confidentiality and Non-Disclosure. The System, Applications, and related call records and information (the "Confidential Information") shall at all times remain confidential to Provider. You agree that you will not disclose such Confidential Information to any third party without our prior written consent. Because you will be able to access confidential information of third parties that is protected by certain federal and state privacy laws through the Software and Applications, you shall only access the Software with computer systems that have effective firewall and anti-virus protection. Moreover, you acknowledge that the contents of this contract constitute proprietary trade secrets and represent that you have not disclosed the terms and conditions of this Agreement to anyone outside of your organization save your legal representative. You warrant that you will keep the terms and conditions of this Agreement confidential and, unless required by court order or statute, will not disclose such information without Provider's express written consent (except that you may disclose the contents of this Agreement to your attorney or tax advisor, if any, but only after informing those persons that they must keep confidential the information contained herein). Before complying with any such court order or statute, you agree to notify Provider so that it may assert any rights to non-disclosure that it may have under the applicable law.

10. Claims. To the fullest extent allowed by applicable law, each party by itself and/or its employees, agents, or contractors agrees to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) (collectively "Claims") arising out of (i) a breach of its own

representations, warranties, and/or covenants contained herein, or (ii) gross negligence or willful misconduct, or (iii) actual or alleged intellectual property infringement.

Furthermore, the parties understand and agree that each one is subject to federal, state, and local laws and regulations, and each party bears the burden of its own compliance. Provider agrees to install and implement the Inmate Telephone System according to the law governing Provider, the instruction it receives from Customer as to Customer's requirements under the law, and according to Customer's facility's demographics. Customer agrees to indemnify Provider against any and all Claims arising out of or related to instruction Provider receives from Customer as permitted under state law.

11. Insurance. We maintain comprehensive general liability insurance having limits of not less than \$2,000,000.00 in the aggregate. You agree to provide us with reasonable and timely written notice of any claim, demand, or cause of action made or brought against you arising out of or related to the utilization of the Applications and the System in which the Provider is brought in as a co-defendant in the Claim. We have the right to defend any such claim, demand, or cause of action at our sole cost and expense and within our sole and exclusive discretion. You agree not to compromise or settle any claim or cause of action arising out of or related to the use of the Applications or System without our prior written consent, and you are required to assist us with our defense of any such claim, demand, or cause of action.

12. Default and Termination. If either party defaults in the performance of any obligation under this Agreement, then the non-defaulting party shall give the defaulting party written notice of its default setting forth with specificity the nature of the default. If the defaulting party fails to cure its default within thirty (30) days after receipt of the notice of default, then the non-defaulting party shall have the right to terminate this Agreement upon thirty (30) days written notice and pursue all other remedies available to the non-defaulting party, either at law or in equity. Notwithstanding the foregoing, the thirty (30) day cure period shall be extended to ninety (90) days if the default is not reasonably susceptible to cure within such thirty (30) day period, but only if the defaulting party has begun to cure the default during the thirty (30) day period and diligently pursues the cure of such default. Notwithstanding the foregoing, if you breach your obligations in the section entitled "Software License" or the section entitled "Confidentiality", then we shall have the right to terminate this Agreement immediately.

13. Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, NEITHER PARTY SHALL HAVE ANY LIABILITY FOR INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, LOSS OF PROFITS OR INCOME, LOST OR CORRUPTED DATA, OR LOSS OF USE OR OTHER BENEFITS, HOWSOEVER CAUSED AND EVEN IF DUE TO THE PARTY'S NEGLIGENCE, BREACH OF CONTRACT, OR OTHER FAULT, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. OUR AGGREGATE LIABILITY TO YOU RELATING TO OR ARISING OUT OF THIS AGREEMENT, WHETHER IN CONTRACT, TORT OR OTHERWISE, SHALL NOT EXCEED THE AMOUNT WE PAID YOU DURING THE TWELVE (12) MONTH PERIOD BEFORE THE DATE THE CLAIM AROSE.

14. Uncontrollable Circumstance. We reserve the right to renegotiate or terminate this Agreement upon sixty (60) days advance written notice if circumstances outside our control related to the Facilities (including, without limitation, changes in rates, regulations, or operations mandated by law; material reduction in inmate population or capacity; material changes in jail policy or economic conditions; acts of God; actions you take for security reasons (such as lock-downs)) negatively impact our business; however, we shall not unreasonably exercise such right. Further, Customer acknowledges that Provider's provision of the services is subject to certain federal, state or local regulatory requirements and restrictions which are subject to change from time-to-time and nothing contained herein to the contrary shall restrict Provider from taking any steps necessary to perform in compliance therewith.

15. Injunctive Relief. Both parties agree that a breach of any of the obligations set forth in the sections entitled "Software License," "Ownership and Use," and "Confidentiality" would irreparably damage and create undue hardships for the other party. Therefore, the non-breaching party shall be entitled to immediate court ordered injunctive relief to stop any apparent breach of such sections, such remedy being in addition to any other remedies available to such non-breaching party.

16. Force Majeure. Either party may be excused from performance under this Agreement to the extent that performance is prevented by any act of God, war, civil disturbance, terrorism, strikes, supply or market, failure of a third party's performance, failure, fluctuation or non-availability of electrical power, heat, light, air conditioning or telecommunications equipment, other equipment failure or similar event beyond its reasonable control; provided, however that the affected party shall use reasonable efforts to remove such causes of non-performance.

17. Notices. Any notice or demand made by either party under the terms of this Agreement or under any statute shall be in writing and shall be given by personal delivery; registered or certified U.S. mail, postage prepaid; or

commercial courier delivery service, to the address below the party's signature below, or to such other address as a party may designate by written notice in compliance with this section. Notices shall be deemed delivered as follows: personal delivery - upon receipt; U.S. mail - five days after deposit; and courier - when delivered as shown by courier records.

18. No Third-party Beneficiary Rights. The parties do not intend to create in any other individual or entity the status of a third-party beneficiary, and this Agreement shall not be construed so as to create such status. The rights, duties, and obligations contained herein shall operate only between the parties and shall inure solely to their benefit. The provisions of this Agreement are intended to assist only the parties in determining and performing their obligations hereunder, and the parties intend and expressly agree that they alone shall have any legal or equitable right to seek to enforce this Agreement, to seek any remedy arising out of a party's performance or failure to perform any term or condition of this Agreement, or to bring an action for the breach of this Agreement.

19. Miscellaneous. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas. No waiver by either party of any event of default under this Agreement shall operate as a waiver of any subsequent default under the terms of this Agreement. If any provision of this Agreement is held to be invalid or unenforceable, the validity or enforceability of the other provisions shall remain unaffected. This Agreement shall be binding upon and inure to the benefit of Provider and Customer and their respective successors and permitted assigns. Except for assignments to our affiliates or to any entity that succeeds to our business in connection with a merger or acquisition, neither party may assign this Agreement without the prior written consent of the other party. Each signatory to this Agreement warrants and represents that he or she has the unrestricted right and requisite authority to enter into and execute this Agreement, to bind his or her respective party, and to authorize the installation and operation of the System. Provider and Customer each shall comply, at its own expense, with all applicable laws and regulations in the performance of their respective obligations under this Agreement and otherwise in their operations. Nothing in this Agreement shall be deemed or construed by the parties or any other entity to create an agency, partnership, or joint venture between Customer and Provider. This Agreement cannot be modified orally and can only be modified by a written instrument signed by all parties. The parties' rights and obligations, which by their nature would extend beyond the termination, cancellation, or expiration of this Agreement, shall survive such termination, cancellation, or expiration (including, without limitation, any payment obligations for services or equipment received before such termination, cancellation, or expiration). This Agreement may be executed in counterparts, each of which shall be fully effective as an original, and all of which together shall constitute one and the same instrument. Each party agrees that delivery of an executed copy of this Agreement by facsimile transmission or by PDF e-mail attachment shall have the same force and effect as hand delivery with original signatures. Each party may use facsimile or PDF signatures as evidence of the execution and delivery of this Agreement to the same extent that original signatures can be used. This Agreement, together with the exhibits and Schedules, constitutes the entire agreement of the parties regarding the subject matter set forth herein and supersedes any prior or contemporaneous oral or written agreements or guarantees regarding the subject matter set forth herein.

Secure Call Platform: Secure Call Platform ("SCP") provides through its centralized system automatic placement of calls by inmates without the need for conventional live operator services. In addition, SCP has the ability to do the following: (a) monitor and record inmate calls, (b) prevent monitoring and recording of private calls (i.e., attorney client calls, clergy calls, or other calls as approved and implemented by you); private number settings allow you to mark these calls not to be monitored or recorded, and you are solely responsible for identifying, approving and disabling requests for private treatment; (c) automatically limit the duration of each call to a certain period designated by us, (d) maintain call detail records in accordance with our standard practices, (e) automatically shut the System on or off, and (f) allow free calls to the extent required by applicable law. We will be responsible for all billing and collections of inmate calling charges but may contract with third parties to perform such functions. SCP will be provided at the Facilities specified in the chart below.

COMPENSATION:

Collect Calls. We will pay you commission (the "Commission") based on the Gross Revenues that we earn through the completion of collect calls, excluding interstate calls, placed from the Facilities as specified in the chart below. Regulatory required and other items such as federal, state and local charges, taxes and fees, including transaction funding fees, transaction fees, credits, billing recovery fees, charges billed by non-LEC third parties, and promotional programs are excluded from revenue to the Provider. We shall remit the Commission for a calendar month to you on or before the 30th day after the end of the calendar month in which the calls were made (the "Payment Date"). All Commission payments shall be final and binding upon you unless we receive written objection within sixty (60) days after the Payment Date. Your payment address is as set forth in the chart below. You shall notify us in writing at least sixty (60) days before a Payment Date of any change in your payment address.

In the event a System Event occurs in the centralized SCP system, technical support will initiate remote diagnosis and correction of the System Event.

### **COMPENSATION**

**Pay Now™.** Pay Now™ is an instant paid payment product available to facilities that have the Instant Pay promotional calling program installed that allows the called party to instantly pay for a single call using a debit or credit card in real-time as the call is being initiated. With Pay Now™, the called party may immediately pay using a credit or debit card for one single call or may elect to setup and / or fund a prepaid AdvanceConnect account. Provider will compensate Customer at a rate of one and 60/100 dollars (\$1.60) for each call accepted and paid for using Pay Now™. Pay Now™ is not subject to any other compensation.

**Text2Connect™.** Text2Connect™ is a promotional program designed to get inmates in touch with Friends and Family members quickly and to encourage them to set up a prepaid AdvanceConnect™ account. If (a) an inmate attempts a call to a mobile phone, (b) the facility allows calls to mobile phones, and (c) the call cannot be billed by Provider, then call control will be assumed by our third-party provider. Our third-party provider will prompt the called party to double opt-in to accept and confirm the charges for a premium SMS text message and continue the call. Charges for the message are billed by the called party's mobile provider on their mobile phone bill. The called party receives a text message receipt for the call charges and is given instructions on how to open a prepaid AdvanceConnect™ account. Text2Connect™ is available through our third-party processor who maintains relationships with select mobile phone companies around the country and manages the connection.

Text2Connect™ promotional calls are not commissionable, and Provider will pay Customer a bonus payment of thirty cents (\$0.30) for each transaction fee billed and collected by the wireless carrier completed through the Text2Connect™ platform. Bonus payments for each applicable connection will be added to your existing monthly commission statement. Text2Connect™ is not subject to any other compensation.

## **INTERNATIONAL COLLECT**

Customer may choose to have Provider provide International Collect calling services. Provider does not provide International Collect calling services without the use of a third-party vendor. Provider shall be obligated to pay Customer only those commissions calculated on the "Gross Revenue Received" (defined below) that is generated by International Collect calls. For the purpose of International Collect calls using a third-party vendor, Gross Revenue Received shall be defined as the payments that Provider receives from its third-party vendor providing the International Collect calling service.

Provider shall make commercially reasonable efforts to ensure that it receives revenues from its third-party vendor on a monthly basis. Provider shall notify Customer, within thirty (30) days, if Provider's third-party vendor providing the International Collect calls fails to remit payment or report completed International Collect calls for any period during the Term of this Agreement. If Provider's third-party vendor does not perform the agreed upon responsibilities, as predetermined between Provider and such third-party vendor, Provider shall immediately notify Customer.

Provider reserves the right, in its sole discretion, to terminate International Collect calling services at any time during the Term of the Agreement if its third-party vendor no longer offers International Collect services. Provider shall work with Customer to identify and implement an alternative to International Collect services such as offering Prepaid Calling Cards that can be used to pay for international calls.

Provider shall remit commission payments and traffic reports that it receives from the third-party vendor to Customer on a monthly basis identifying all Gross Revenue Received for International Collect calls by Provider. Payments and reports due to Customer hereunder shall be made by Provider no later than thirty (30) days of the second month following the month of traffic.

The cards are subject to applicable local, state, and federal taxes plus any applicable per call surcharge fee. If you authorize us, we will deal with your third-party commissary operator ("Commissary Operator") for the sole purpose of selling Prepaid Calling Cards to you. If that is the case, you shall notify us in writing of any change in the identity of the Commissary Operator, which change shall be effective on the date that we receive the notice. Notwithstanding anything to the contrary, you will remain primarily liable for the payment for Prepaid Calling Cards sold to Commissary Operator on your behalf.

### TAXES:

The face value of the Prepaid Calling Cards does not include any taxes or other fees. Provider will invoice Customer for each order of Prepaid Calling Cards. Customer agrees to pay the invoice within thirty (30) days, including all applicable sales taxes and other regulatory charges. Customer may provide a Sales and Use Tax Resale Certificate to Provider stating that Customer will be responsible for charging the applicable taxes to the end-users and for remitting the collected taxes to the proper taxing jurisdictions. If Provider receives a Sales and Use Tax Resale Certificate from Customer, Provider will not charge applicable sales taxes on Customer invoices for Prepaid Calling Cards purchases.

### COMPENSATION:

The face value of the Cards less the applicable percentage specified in the chart below plus any applicable sales tax and shipping charges shall be due and payable within thirty (30) days after the invoice date. After such thirty (30) day period, then we reserve the right to charge interest on the overdue amount at the lower of (a) fifteen percent (15%) per annum or (b) the maximum rate allowed by law and to deduct the invoice price of the Cards plus any accrued interest from any amounts we owe you until paid in full. If you authorize us in writing we will deduct amounts owed from your earned Commissions. If the amounts owed exceed the Commission for the relevant month or if, for any reason, the Agreement terminates or expires during the relevant month, then we will invoice you for the balance which shall be due within thirty (30) days after the date of the invoice. All applicable sales taxes will be charged on the invoiced amount of the Prepaid Calling Card sale, unless Customer provides us a valid reseller's certificate before the time of sale.
