## ADDENDUM

Per Contract ID #2012-0060, issued 2/17/12 and received 4/30/12, Wise County, TX has decided to add the following application and services:

License Fees - Software	Qty
<b>Eagle Minutes Module</b> <i>(per installation of the master application; cashiering, forms printing and workflow capabilities are not included)</i>	1
Description of Services	
<b>Conversion Services</b>	
<b>Data/Image Upload</b> This line item anticipates a complete data upload. Tyler will supply the County with the exact file layout format required for uploading the data. The County will supply all data in a fixed ASCII text file on CD or other media mutually agreed upon in the exact file layout format as specified. If supplied in this format, the minimal upload fee listed in the item will apply. If the data is supplied in any other format than the one required by Tyler, additional charges will apply. Tyler will provide record count information (records in, records out; etc.). County will be responsible for reviewing the inputted data and the converted data for accuracy and completeness.	10
<b>Installation</b> Includes estimated professional services for installation of the software and any hardware quoted herein. Includes configuration of database and application servers.	15
<b>Training Services</b>	
<b>Training and Implementation</b> Includes estimated professional services for training and implementation required for a successful implementation of the project.	10
<b>\$283/month</b>	

*Please Note: Issue date of this addendum shall run concurrent with the original lease term.*
