ORDER GRANTING PERMIT AND RIGHT-OF WAY TO CONSTRUCT WATER PIPELINE

THE STATE OF TEXAS

COUNTY ROAD # 1308

THE COUNTY OF WISE

Now on this 9th day of February, 2015 at a meeting of the Commissioners Court of Wise County, Texas, came on to be considered the application of

West Wise Special Utility District for a permit and right-of-way to lay water pipeline under the public roads of the County of Wise, State of Texas, and the Court having considered such application which was filed on the 9th day of February, 2015, and is referred to and made a part hereof, and having determined that the permit an right-of-way for such water pipeline should be granted, it is accordingly ordered by the court:

1. That the County of Wise, State of Texas, does hereby grant the right, privilege and right-of-way to West Wise Special Utility District to lay, construct, maintain, and operate a water pipeline under the public roads in the County of Wise, State of Texas, as described:

Description and Location: South side of the intersection CR 1308 and CCR 1326
See plans for more detail.

2. That such waterline opening shall be bored, constructed and maintained as not to interfere with the use and occupancy of such public roads by the public. That such waterline shall be buried to the depth of five feet (5ft.) below the lowest point of surface. Install visible marking of the crossing.

3. Said pipeline right-of-way shall be marked with pipeline marker signs at road right-of-way fence lines.

APPLICATION FOR PIPELINE UTILITY PERMIT
DESIGNATING PLACEMENT OF UTILITY IN COUNTY RIGHT OF WAY

TO: THE COUNTY ENGINEER OF WISE COUNTY, TEXAS

Comes now West Wise Special Utility District [company name], hereinafter referred to as "Company" a Texas [state] Corporation, with authority to transact business in Texas, acting by and through its duly authorized representative, and hereby petitions the County Engineer for the right to lay, construct, maintain, repair and/or operate equipment under, over, across and/or along certain County Roads as shown on drawings and diagrams attached hereto and said location described as follows:

Facility to Cross Road

Road Name & Block Number	Length of Crossing	TYPE OF CONSTRUCTION (CHECK ONE)			
		Bored	Jacked	Driven	X Cased
CR 1308 at # 382	30 feet				X 12" steel
See plans and profile attached					
Station 1+34					

Facility to Parallel County Road Within Right-Of-Way

Road Name and Block Number	From	To	Distance
CR 1308	Station 0+00	Station 1+34	128 feet
See plans and profile attached			

CONSTRUCTION TYPE

6.90" Diameter .383" Wall Thickness High Pressure Underground Pipeline (60 psi or greater operating pressure) Low Pressure Underground Pipeline (60 psi operating pressure)

Material Specification PVC waterline
 Minimum Yield Strength 150 PSI
 Maximum Operation Pressure 235 PSI

The location and description of the proposed installation and appurtenances must be fully shown on the attached detailed drawings.

The Company shall commence actual construction/work in good faith within 60 days from the date of said permit and shall complete said construction /work within 10 working days. (COMPANY MUST FILL IN). If such construction is not begun by the 60th day, Company will be required to apply for a new permit.

Company declares that prior to filing this application, it has ascertained the location of all existing utilities, both aerial and underground, and the filing of this application is prima facie evidence that the proposed installation will not conflict with any existing utility.

A copy of this permit shall be kept at the job site any time work is being performed.

It is expressly stipulated that this Permit is a license for permissive use only and that the placing of facilities upon public property pursuant to this permit shall not operate to create or vest any property right in said holder.

It is understood and agreed that the rights and privileges herein set out are granted only to the extent of the County's right, title and interest in the land to be entered upon and used by the holder and the holder will at all times assume risk of and indemnify, defend and save harmless Wise County from and against any and all loss, damages, cost or expense arising in any manner on account of the exercise or attempted exercise by said holder of the aforesaid rights and privileges.

PIPELINE UTILITY APPROVAL

Wise County offers no objection to the proposed location of the utility in the County right of way as shown by accompanying drawings and notice dated _____ except as noted below:

(Month/Day/Year)

EXCEPTIONS:

This location is on the Wise County Throughfare Plan as a Major Arterial (80'-100' R.O.W). Keep all appurtenances 50 feet or more away from the centerline.

Wise County Commissioner's Court
Wise County Courthouse
Decatur, Texas

Commissioners,

West Wise SUD is respectfully requesting consideration of a permit to bore and parallel CR 1308 with a 6" waterline at your next scheduled meeting. The waterline is needed in order to serve a residential customer.

See plans included with permit for additional detail.

Sincerely,

James L. Ward

General Manager
