“COMMISSIONERS COURT ON THE ROAD” Mobile Meetings Program

In order to more effectively and directly engage with the communities in Wise County, the Wise County Commissioners Court is launching a “Commissioners Court On the Road” Mobile Meetings Program.

This program will allow the Commissioners Court to hold a quarterly evening meeting in a different Wise County precinct. Each of the four mobile meeting agendas for the year will include (but not be limited to) the following:

- The Pledge of Allegiance led by local students/children from schools/organizations in that precinct.
- A community forum to allow residents to make comments related to County policies, plans, and projects.
- A report from the County Judge on recent and upcoming County issues.
- A report from the Commissioner of that precinct on recent and upcoming projects.
- A report/presentation from a Department Head/Elected Official to showcase recent and upcoming projects/issues in that office or department.

These mobile meetings will not replace the regular Wise County Commissioners Court meetings held each month in the Courthouse. Instead, this creates an additional opportunity for residents to engage with our county government in an accessible, local time and place. The agenda items included in mobile meetings will be for information and discussion only, not for action. All action items will be reserved for regular Wise County Commissioners Court meetings.
