RE: *Russell Ridge, Lots 1 & 2*
Final Plat Review, Precinct 4
KHA No. 061027001

Dear Judge Clark:

As requested, Kimley-Horn and Associates, Inc. has reviewed the Final Plat submittal for Russell Ridge, Lots 1 & 2, in accordance with the *Wise County Development Rules and Regulations*. This letter is provided detailing our review comments for the Final Plat submittal. It is our understanding a variance is being requested for the following items:

- A Drainage Plan should be included with the submittal that contains 5-foot contour intervals shown throughout the subdivision and descriptions of contributing drainage and discharge to and from the subdivision, as prepared by a licensed engineer in the State of Texas. (Re: Section 3.07)
- Lots should have a minimum road frontage of 150 feet as measured at the property line. (Re: Section 6.02.B)

Aside from this, all other items appear to be in general conformance with the Wise County Development Rules and Regulations.

For review and acceptance of the development by Wise County Commissioner's Court, it is the responsibility of the Developer to confirm with the County Judge's office for placement on the upcoming Commissioner's Court Agenda.

We appreciate the opportunity to be of continued service to Wise County. If you have any questions or comments, please do not hesitate to call.

Very truly yours,
KIMLEY-HORN AND ASSOCIATES, INC.
