**Additional Notes:**

Rates assume that the Davis Bacon Act ("DBA") does not apply. If this is incorrect, please advise in writing before submittal of purchase order and provide the applicable DBA wage determination and we will provide a revised quote. Service Contract Act rates do not apply to these "Ancillary Services" - see Solicitation 7FCI-L3-03-0084-B - REFRESH 12, Attachment 03 - Page 13.

Please note that except for component only orders the end products provided under Tyco's TXMAS contract are certain fire, safety, and alarm systems, which are substantially transformed in the United States from individual component parts, including any Open Market items which are substantially transformed in the United States from individual component parts, on the job site. Tyco's compliance with FAR 52.225-5, Trade Agreements, is based on the understanding that the end products for individual orders under the GSA contract are systems, unless a component-only order is specified. Component-only orders may include items that are not U.S.-made, qualifying country, or designated country end products compliant with FAR 52.225-5 or DFARS 252.225-7021.

This proposal DOES NOT include any applicable Local, State, or Federal taxes.

Customer to provide Power and Telco Communications.
