## NON-REVENUE USER AGREEMENT

As a user of Non-Revenue Account, and utilizing Non-Revenue License Recognition as established to this agency by the Central Texas Regional Mobility Authority, I have read the applicable portion of Section 370.177, Texas Transportation Code and Section 503(b) of the Master Indenture authorizing the Authority's outstanding revenue bonds, both of which cover free passage of toll roads by authorized emergency vehicles.

Section 370.177, Texas Transportation Code, provides a specific exemption from toll payments. This exemption is limited to, authorized emergency vehicles as defined by Section 541.201, Texas Transportation Code. Section 541.201 defines "authorized emergency vehicle" to include:

(A) a fire department or police vehicle; (B) a public or private ambulance operated by a person who has been issued a license by the Department of State Health Services; (C) an emergency medical services vehicle: (i) authorized under an emergency medical services provider license issued by the Department of State Health Services under Chapter 773, Health and Safety Code; and (ii) operating under a contract with an emergency services district that requires the emergency medical services provider to respond to emergency calls with the vehicle; (D) a municipal department or public service corporation emergency vehicle that has been designated or authorized by the governing body of a municipality; (E) a county-owned or county-leased emergency management vehicle that has been designated or authorized by the commissioners court; (F) a vehicle that has been designated by the department under Section 546.0065; (G) a private vehicle of a volunteer firefighter or a certified emergency medical services employee or volunteer when responding to a fire alarm or medical emergency; (H) an industrial emergency response vehicle, including an industrial ambulance, when responding to an emergency, but only if the vehicle is operated in compliance with criteria in effect September 1, 1989, and established by the predecessor of the Texas Industrial Emergency Services Board of the State Firemen's and Fire Marshals' Association of Texas; (I) a vehicle of a blood bank or tissue bank, accredited or approved under the laws of this state or the United States, when making emergency deliveries of blood, drugs, medicines, or organs; (J) a vehicle used for law enforcement purposes that is owned or leased by a federal governmental entity; or (K) a private vehicle of an employee or volunteer of a county emergency management division in a county with a population of more than 46,500 and less than 48,000 that is designated as an authorized emergency vehicle by the commissioners court of that county.

The Authority has a provision in their Master Indenture which allows for free passage for Authorized Emergency Vehicles.

By providing applicable License Plate Numbers, you and all employees using the CTRMA system agree to abide by the terms and conditions set forth in this agreement.

The License Plates Numbers are not for personal or private use and may not be transferred, loaned or otherwise used by anyone other than the authorized users.

To the extent of any conflict or inconsistency between your internal policy respecting use of these License Plates Numbers terms and conditions of this agreement, this letter shall control.

By providing the License Plate Numbers, you and all employees using the CTRMA system agree to abide by the terms and conditions set forth in this letter.

You will provide updates to the License Plate List whenever a new vehicle is put into service and/or vehicle license plates are removed or taken out of service.

On a yearly basis, you will permit the CTRMA to audit use of the License Plate imaging.

This agency agrees to abide by the requirements of both Texas law and the Authority's Master Indenture while utilizing CTRMA toll facilities.
