

Ah

The Court would like to recognize three of our court house deputies for their immediate response to a plea for help last Tuesday, September 23: Chad Sutton, Dick Wood and Randy Eyster.

On that afternoon, a man from across the street ran in looking for help. His co-worker was pinned under a pile of sheetrock. The two were attempting to shift 30 12'x4' sheets when the stack fell over, pinning the man against a wall.

The three deputies quickly responded and removed the layers rapidly to release the trapped man. An ambulance had arrived by this time and the man was taken for evaluation.

The addition of deputies Sutton and Eyster has become a great asset to the building. Many of our offices have commented on how much safer they feel knowing the deputies are patrolling the building and surrounding areas. We very much appreciate the performance of these two men and our Sheriffs Department as a whole.
