PAYMENT PROCESSING INSTRUCTIONS AND GUIDELINES**

Paymenttech, LLC ("Paymenttech" or "we", "us" or "our" and the like), for itself and on behalf of JPMorgan Chase Bank, N.A. ("Member"), is very excited about the opportunity to join Tyler Technologies, Inc. in providing you with state-of-the-art payment processing services. When your Customers pay you through Tyler Technologies, Inc., you may be the recipient of a Card funded payment. The organizations that operate these Card systems (such as Visa U.S.A., Inc. and MasterCard International Incorporated; collectively, the "Payment Brands") require that you (i) enter into a direct contractual relationship with an entity that is a member of the Payment Brand and (ii) agree to comply with Payment Brand Rules as they pertain to applicable Card Transaction you submit through Tyler Technologies, Inc.. You are also required to fill out an Application with Paymenttech. The Application provides Paymenttech with information relative to your processing practices and expectations.

By executing this document, you are fulfilling the Payment Brand Rule of entering into a direct contractual relationship with a member, and you are agreeing to comply with Payment Brand Rules as they pertain to Transactions you submit for processing through the Tyler Technologies, Inc. service. We understand and acknowledge that you have contracted with Tyler Technologies, Inc. to obtain Card processing services on your behalf and that Tyler Technologies, Inc. may have agreed to be responsible for your obligations to us for such Transactions and as set forth in these guidelines.

The following information is designed to inform and assist you as we begin our relationship.

1. Your Acceptance of Cards

- You agree to comply with all Payment Brand Rules, as may be applicable to you and in effect from time to time. You understand that we may be required to modify these instructions and guidelines in order to comply with requirements imposed by the Payment Brands.
- In offering payment options to your customers, you may elect any one of the following options. These acceptance options above apply only to domestic transactions:
 - (1) Accept *all* types of Visa and MasterCard cards, including consumer credit and debit/check cards, and commercial credit and debit/check cards;
 - (2) Accept *only* Visa and MasterCard credit cards and commercial cards (If you select this option, you must accept all consumer credit cards (but not consumer debit/check cards) and all commercial card products, including business debit/check cards); or
 - (3) Accept *only* Visa and MasterCard consumer debit/check cards (If you select this option, you must accept all consumer debit/check card products (but not business debit/check cards) and refuse to accept any kind of credit cards).
- If you choose to limit the types of Visa and MasterCard cards you accept, you must display appropriate signage to indicate acceptance of the limited acceptance category you have selected (that is, accept only debit/check card products or only credit and commercial products).
- For recurring transactions, you must obtain a written request or similar authentication from your Customer for the goods and/or services to be charged to the Customer's Card, specifying the frequency of the recurring charge and the duration of time during which such charges may be made.

2. Settlement

- Upon our receipt of your Transactions, we will process your Transactions to facilitate the funds transfer between the various Payment Brands, you and Tyler Technologies, Inc.. Unless otherwise agreed to by the parties, after we receive credit for such Transactions, we will provide provisional credit to one or more of the Bank Account(s) you designate herein under the "Funding Schedule" section.
- You must not submit Transactions for payment until the goods are delivered, shipped, or the services are performed. If a Customer disputes being charged for merchandise or services before receiving them, the result may be a Chargeback to you.

3. Chargebacks

- You may receive a Chargeback for a number of reasons. The following are some of the most common reasons for Chargebacks, but in no way is this meant to be an exhaustive list of all Chargeback reasons:
 - (1) You do not issue a refund to a Customer upon the return or non-delivery of goods or services;
 - (2) An authorization/approval code was required and not obtained;

- (3) The Transaction was fraudulent;
- (4) The Customer disputes the Card sale or the signature on the sale documentation, or claims that the sale is subject to a set-off, defense or counterclaim; or
- (5) The Customer refuses to make payment for a Card sale because in the Customer's good faith opinion, a claim or complaint has not been resolved, or has been resolved by you but in an unsatisfactory manner.

4. Data Security and Privacy

- By signing below, you represent to us that you **do not** have access to any Card Information (such as the Customer's primary account number, expiration date, security code or personal identification number) and you will not request access to such Card Information from Tyler Technologies, Inc.. In the event that you do happen to receive Card Information in connection with the processing services provided by Tyler Technologies, Inc. or Paymentech under these guidelines, you agree that you will not use it for any fraudulent purpose or in violation of any Payment Brands or applicable law and you will comply with all applicable Payment Brand Rules and Security Standards. If at any time you believe that Card Information has been compromised, you must notify us promptly and assist in providing notification to the proper parties. You must ensure your compliance with all Security Standards that are applicable to you and which may be published from time to time by the Payment Brands. If any Payment Brand requires an audit of you due to a data security compromise event or suspected event, you agree to cooperate with such audit. You may not use any Card Information other than for the sole purpose of completing the Transaction authorized by the Customer for which the information was provided to you, or as specifically allowed by Payment Brand Rules, or required by law. In the event of your failure, including bankruptcy, insolvency or other suspension of business operations, you shall not sell, transfer or disclose any materials that contain Transaction information or Card Information to third parties.

5. Funding Schedule

- In order to receive funds from Paymentech, you must maintain one or more bank account(s) at a bank that is a member of the Automated Clearing House ("ACH") system and the Federal Reserve wire system (the "Bank Account"). You must designate at least one Bank Account for the deposit and settlement of funds and the debit of any fees and costs associated with Paymentech's processing of the Transactions (all such designated Bank Accounts shall be collectively referred to herein as the "Settlement Account"). You authorize Paymentech to initiate electronic credit and debit entries and adjustments to your Settlement Account in accordance with this Section 5. We will not be liable for any delays in receipt of funds or errors in Settlement Account entries caused by third parties, including but not limited to delays or errors by the Payment Brands or your bank.
- Unless otherwise agreed to by the parties, the proceeds payable to the Settlement Account shall be equal to the amounts received by us in respect of your Card transactions less all Chargebacks, Customer refunds and other applicable charges. Such amounts will be paid into the Settlement Account promptly following our receipt of the funds. If the proceeds payable to the Settlement Account do not represent sufficient credits, or the Settlement Account does not have a sufficient balance to pay amounts due from you under these guidelines, we may pursue one or more of the following options: (i) demand and receive immediate payment for such amounts; (ii) debit a Bank Account for the amount of the negative balance; (iii) withhold settlement payments to the Settlement Account until all amounts are paid, (iv) delay presentation of refunds until a payment is made to us of a sufficient amount to cover the negative balance; and (v) pursue any remedies we may have at law or in equity.
- Unless and until we receive written instructions from you to the contrary, all amounts payable by Paymentech to you will be deposited in the Settlement Account designated and authorized by you as set forth below:
