DISPUTES AND SERVICE: All "out of product requests" and other service requests shall be made by calling the Lessor's customer service number, which shall be provided by the undersigned Account Manager. In such cases, all service requests will be handled within three business days. Lessor may, at its option or Customer's request, replace defective Equipment with a comparable reconditioned unit if it deems that repair is not feasible on location.

In the event that the Customer is dissatisfied with the servicing of the Equipment listed herein, the Customer agrees to attempt a resolution with the Customer Service Department of Lessor. If the dispute is not resolved, the Customer agrees to notify the undersigned Account Manager, Zone Sales Development Manager, and Zone Service Manager, accordingly. If Customer thinks that any invoiced amount is incorrect, it shall submit its dispute to Lessor's Customer Service Department by phone or in a written letter. All disputes must be submitted no later than thirty (30) days after the date of the first bill on which the error or problem first appeared. Customer is obligated to pay the parts of the invoice that are not in question.

DEFAULT: In the event of default by Customer, Lessor shall have the right to (i) terminate this agreement immediately and the remaining fees, including but not limited to the equipment rental for the balance of the lease, due under this agreement or renewal shall become due immediately as liquidated damages and not as a penalty; and (ii) repossess the Lessor's Equipment and bottles, or, if Lessor cannot repossess its Equipment or bottles, as applicable, Lessor may, at its option, declare it a total loss, and Customer will pay Lessor its replacement value. Company may change its administrative, surcharges or other charges or deposit fees at any time with prior notice to Customer. If Customer does not pay any charge within thirty (30) days of the invoice date, Customer will pay Company the greater of (i) **a late fee not to exceed $20 per month, or (ii) interest of 1.5% per month** on any unpaid amount from the invoice date until paid. If the late fee or interest rate exceeds the maximum rate allowed by law, the late charge will be equal to such maximum rate. Customer will make all payments due without set-off, counterclaim or defense.

EQUIPMENT RENTAL: Customer acknowledges that this is a true lease, Customer has no equity or ownership rights in the Equipment, and Customer can purchase the Equipment only if Customer and Lessor agree in writing. Company will install the Equipment or Plan Equipment, as applicable (collectively, "Equipment"), at Customer's address specified on the reverse side. If Customer's negligence, abuse or misuse causes damage requiring repair or replacement, Customer will pay Company all such costs on demand. The Equipment and multi-gallon bottles ("bottles") are, and will at all times be, Company's sole and exclusive property, and Customer will have no right, title or interest except as provided in this Agreement. Customer can purchase the Equipment only if Customer and Company agree in writing. Customer will use the Equipment and all bottles only for Company's Products and will not reuse or refill bottles for any purpose whatsoever. Customer will at all times operate and maintain the Equipment and bottles in a safe, sanitary and proper manner in accordance with Company's instructions and clean and maintain the Equipment periodically and at least once every three months, as outlined in the Company-approved guidelines. Company may enter Customer's premises at reasonable times to inspect and repair the Equipment and to deliver or pick up bottles.
Customer acknowledges that this is a true lease. If Customer purchases equipment from Company, Customer will be responsible for all repair or replacement costs unless otherwise specified in Company's warranty, if any.

CHANGES AND ADDENDUMS: Any changes in specifications, terms or pricing contained in this Agreement must be mutually approved in writing by both Lessor and Customer before the execution of the change.

RISK OF LOSS; HOLD HARMLESS: Customer assumes risk of loss or damage to the Equipment and bottles in Customer's possession and will be responsible for all liability resulting from their use and operation. Customer will pay Lessor upon demand costs to repair or replace any lost, stolen, damaged or destroyed Equipment and/or bottles, as determined by Lessor.

Lessor shall indemnify and hold Customer harmless against any and all liability, loss, damage cost or expense of whatever kind (including attorney's fees in actions brought by third parties) arising out of the sole negligence of Lessor.

TRANSFER: Customer may not directly or indirectly transfer any of its rights under this Agreement and will not allow any third party to take possession of the Equipment or bottles without Lessor's prior written consent. Customer will keep the Equipment and bottles free and clear of levies, liens and encumbrances and will promptly notify Lessor of any third party seizure, levy, lien, or encumbrance regarding the Equipment or bottles.

PAYMENT TERMS: Net 30 days

PRICE GUARANTEE: Except as otherwise set forth on Exhibit A, pricing for bottled water products contracted herein will not be subject to change until **10/01/2016**. The Receiving Party shall not disclose or use any Confidential Information of the Disclosing Party for any purpose other than performance or enforcement of this Agreement without the Disclosing Party's prior written consent, unless (but only to the extent) otherwise required by a governmental authority. Each Party agrees to protect the Confidential Information of the other Party with the same level of care that it uses to protect its own confidential information, but in no event less than a reasonable level of care. Without limiting the foregoing, this Agreement and all terms hereof shall be Everbridge's Confidential Information.

8. WARRANTIES; DISCLAIMER.

8.1 Everbridge Warranty. Everbridge shall use commercially reasonable efforts to provide the Services herein contemplated. To the extent professional services are provided, Everbridge shall perform them in a professional manner consistent with industry standards.

8.2 Disclaimer. NEITHER EVERBRIDGE NOR ITS LICENSORS WARRANT THAT THE SERVICE WILL OPERATE ERROR FREE OR WITHOUT INTERRUPTION. WITHOUT LIMITING THE FOREGOING, IN NO EVENT SHALL EVERBRIDGE HAVE ANY LIABILITY TO CUSTOMER, USERS, CONTACTS OR ANY THIRD PARTY FOR PERSONAL INJURY (INCLUDING DEATH) OR PROPERTY DAMAGE ARISING FROM FAILURE OF THE SERVICE TO DELIVER AN ELECTRONIC COMMUNICATION, HOWEVER CAUSED AND UNDER ANY THEORY OF LIABILITY, EVEN IF EVERBRIDGE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE.

8.3 Customer Representations and Warranties. Customer represents and warrants that during use of the Service, Customer shall (i) clearly and conspicuously notify Contacts of the way in which their personal information shall be used, and (ii) have primary safety and emergency response procedures including, without limitation, notifying 911 or equivalent fire, police, emergency medical and public health officials (collectively, **"First Responders"**). Customer acknowledges and agrees that Everbridge is not a First Responder, and that the Service does not serve as a substitute for Customer's own emergency response plan, which in the event of an actual or potential imminent threat to person or property, shall include contacting a First Responder prior to using the Service. Customer represents and warrants that all notifications sent through the Service shall be sent by authorized Users, and that the collection, storage and processing of Customer Data, and the use of the Service, as provided in this Agreement, will at all times comply with (x) Customer's own policies regarding privacy and protection of personal information; and (y) all applicable laws and regulations, including those related to processing, storage, use, disclosure, security, protection and handling of Customer Data.

9. INDEMNIFICATION.

9.1 By Customer. [Intentionally Deleted]

9.2 By Everbridge. Everbridge shall indemnify and hold Customer harmless from and against any Claim against Customer, but only to the extent it is based on a Claim that the Service directly infringes an issued patent or other IP Right in a country in which the Service is actually provided to Customer. In the event Everbridge believes any Everbridge Technology is, or is likely to be the subject of an infringement claim, Everbridge shall have the option, at its own expense, to: (i) to procure for Customer the right to continue using the Service; (ii) replace same with a non-infringing service; (iii) modify such Service so that it becomes non-infringing; or (iv) refund any fees paid to Everbridge and terminate this Agreement without further liability. Everbridge shall have no liability for any Claim arising out of (w) Customer Data or other Customer supplied content, (x) use of the Service or Software in combination with other products, equipment, software or data not supplied by Everbridge, (y) any use, reproduction, or distribution of any release of the Service or Software other than the most current release made available to Customer, or (z) any modification of the Service or Software by any person other than Everbridge.

10. LIMITATION OF LIABILITY. Except for breaches of Section 6, neither Party shall have any liability to the other Party for any loss of use, interruption of business, lost profits, costs of substitute services, or for any other indirect, special, incidental, punitive, or consequential damages, however caused, under any theory of liability, and whether or not the Party has been advised of the possibility of such damage. Notwithstanding anything in this Agreement to the contrary, in no event shall Everbridge's aggregate liability, regardless of whether any action or claim is based on warranty, contract, tort, indemnification or otherwise, exceed amounts actually paid by Customer to Everbridge hereunder during the 12 month period prior to the event giving rise to such liability. Customer understands and agrees that these liability limits reflect the allocation of risk between the Parties and are essential elements of the basis of the bargain, the absence of which would require substantially different economic terms. This clause shall not impair the U.S. Government's right to recover for fraud or crimes arising out of or related to this Agreement under any federal fraud statute. Furthermore, this clause shall not impair nor prejudice the U.S. Government's right to express remedies provided in the schedule contract (i.e. Price Reductions, Patent Indemnification, Liability for Injury or Damage, Price Adjustment, Failure to Provide Accurate Information).

11. MISCELLANEOUS.

11.1 Non-Solicitation. As additional protection for Everbridge's proprietary information, for so long as this Agreement remains in effect, and for one year thereafter, Customer agrees that it shall not, directly or indirectly, solicit, hire or attempt to solicit any employees of Everbridge; provided, that a general solicitation to the public for employment is not prohibited under this section.

11.2 Force Majeure; Limitations. Everbridge shall not be responsible for performance under this Agreement to the extent precluded by circumstances beyond Everbridge's reasonable control, including without limitation acts of God, acts of government, flood, fire, earthquakes, civil unrest, acts of terror, labor problems, computer, telecommunications, Internet service provider or hosting facility failures, or delays involving hardware, software or power systems, and network intrusions or denial of service attacks. The Service delivers information for supported Contact paths to public and private networks and carriers, but cannot guarantee delivery of the information to the recipients. Final delivery of information to recipients is dependent on and is the responsibility of the designated public and private networks or carriers. Customer acknowledges and agrees that territories outside the U.S. and Canada may have territorial restrictions resulting from applicable law, telecommunications or internet infrastructure limitations, telecommunications or internet service provider policies, or communication device customizations that may inhibit or prevent the delivery of certain SMS, text or other notifications, or restrict the ability to place or receive certain calls such as outbound toll free calls. Everbridge shall have no liability to the extent such restrictions impede the Service.

B. At the COUNTY's sole discretion, an Animal Control Officer will provide service within the corporate limits of the CITY in a manner similar to services provided within the COUNTY's normal jurisdiction. Further, the COUNTY will dispatch at least one (1) Animal Control Officer in response to a CITY-Reported Animal Call, so long as there is at least one (1) Animal control officer "on duty". If no Animal Control Officer is on duty, the COUNTY dispatch may dispatch a Sheriff's Deputy to the call and determine if the call is an emergency and notify an Animal Control Officer.

C. Animal Control officers are considered:

However, under no circumstances will the COUNTY perform the actions contemplated in this agreement if CITY has concurrently contracted with a **PRIVATE FOR PROFIT** Company to perform animal control services within the CITY Limit's. STATE OF TEXAS §
§
COUNTY OF WISE §

FISCAL YEAR 2015-2016

WHEREAS, WISE COUNTY, TEXAS, hereinafter (COUNTY), a political subdivision of the State of Texas, has the authority under Texas Local Government Code, Chapter 352.001 to contract with an incorporated volunteer fire department that is located within the COUNTY to provide fire protection and first responder services to an area of the COUNTY that is located outside the municipalities in the COUNTY, and

WHEREAS, the NEWARK VOLUNTEER FIRE DEPARTMENT, hereinafter (VFD), an incorporated volunteer fire department located within the COUNTY,

WHEREAS, COUNTY and VFD represent that each is independently authorized to perform the functions contemplated by this Agreement.

WHEREAS, COUNTY is contracting with a private entity to provide a public service because the VFD has fire protection vehicles and other equipment designed for the extinguishing of fire, the providing of emergency services, and the prevention of damage to property and injury to persons from fire and other emergencies and has the control and use of volunteer members who are trained to properly utilize such vehicles and equipment and to provide fire protection and emergency services.

WHEREAS, This agreement and contract is made between the COUNTY and the VFD pursuant to the authority of Subchapter A of Chapter 352 of the Texas Local Government Code and pursuant to the general authority of the Commissioners Court to contract with private providers for services for the public.

NOW, THEREFORE in consideration of the above recitals, mutual benefits and promises each to the other made herein, the parties named above do hereby agree as follows:

PUBLIC PURPOSE

The purpose of this contract is to provide public fire protection and other limited emergency response services within the area of the COUNTY that lies outside the boundaries of any municipal government. The COUNTY has no authority to provide fire protection or most other emergency response services within the territorial limits of incorporated municipalities and by this contract does not attempt to usurp the authority of municipalities to manage, regulate and provide fire protection and emergency response services within their boundaries.

VFD OBLIGATION

The VFD as a part of this agreement, and as a condition of the payment by the COUNTY of any and all sums called for under this agreement, agree that:

(a) The VFD will provide fire protection and other emergency response services for all persons and property within the unincorporated area of said COUNTY. Further, the VFD agrees that it shall be the First Responder for emergency medical services within the unincorporated portion of the designated primary service area of the VFD. Additionally, the VFD agrees that it shall respond to mutual aid calls from any other fire department for fire protection services at any location within the unincorporated area of the COUNTY.

(b) Emergency services other than those concerning fire protection and other emergency response services is not the subject of this contract. All emergency services provided within the territorial boundaries of municipal corporations are solely within the jurisdiction and the area of responsibility of the relevant municipal government. No provision is made in this contract to provide services in any municipality. However, nothing in this contract is intended to prevent the VFD from providing other services in addition to the services contracted for herein, nor from providing services within municipalities, but in doing so, the VFD does not act as an agent of the COUNTY and the COUNTY assumes no responsibility for such services. In event the VFD provides services not provided for by this contract, **it is expressly agreed and understood that the VFD ASSUMES ALL RESPONSIBILITY FOR ANY INJURY OR DAMAGE SUFFERED BY ANY PERSON OR PROPERTY RESULTING FROM SUCH ACTION AND INCLUDING ANY DAMAGE OR INJURY CAUSED OR CONTRIBUTED TO BY REASON OF THE USE OR OPERTATION OF ANY EQUIPMENT OR TANGIBLE PROPERTY OWNED BY THE COUNTY OR PURCHASED BY THE COUNTY FOR THE VFD, AND THE VFD AGREES TO INDEMNIFY THE COUNTY FOR ANY AMOUNT SPENT BY THE COUNTY IN DEFENDING ITSELF IN ANY COURT ACTION ARISING OUT OF A SITUATION IN WHICH THE VFD UTILIZED SUCH EQUIPMENT TO PROVIDE NON-FIRE RELATED EMERGENCY RESPONSE SERVICES OR WHICH OTHERWISE ARISES FROM THE PROVIDING OF NON-FIRE EMERGENCY RESPONSE SERVICES, INCLUDING ATTORNEY FEES, COSTS OF COURT, AND OTHER EXPENSES REASONABLY NECESSARY IN PREPARING AND PRESENTING ANY DEFENSE IN SUCH MATTER AS WELL AS FOR ANY DAMAGES FOR WHICH THE COUNTY IS HELD RESPONSIBLE BY ANY COURT OF COMPETENT JURISDICTION.** It is further expressly understood and agreed that no official, employee or agent of the COUNTY has authority to bind the COUNTY to be liable for the manner or means of providing fire protection or other services in an incorporated municipality.

(c) The VFD shall use reasonable diligence and effort to provide the fire protection and emergency response services it has contracted to provide by this contract and to provide immediate and direct supervision of the VFD members, employees, agents, contractors, sub-contractors, and/or laborers, if any, in the furtherance of the purposes, terms, and conditions of this contact. The parties do not hereby waive any immunity, defense, privilege, or remedy provided by law.

(d) VFD agrees to cause its members and personnel providing fire protection services in performance of this contract, when performing said services, to conduct themselves in a professional manner and to comply with applicable laws. Non-member volunteers will not be used for fire protection by the VFD. All fire fighters of the VFD must be

members of the VFD and properly trained and equipped to perform fire protection duties. Radio communications will be conducted in accord with any rules, procedures or directives of the Sheriff of Wise County and/or County Fire Marshal. The VFD further agrees that it will cooperate with the County Fire Marshal to the extent provided for in Texas law.

(e) The VFD warrants that in carrying out the terms of this contract, it will not utilize any person under 18 years of age in the performance of the services to be provided under this contract.

(f) It is agreed that the VFD shall comply with any rules, procedures or directives of the County Fire Marshal for determining which fires warrant investigations, and shall cooperate with any such investigation made by the appropriate County Official or the designated agent of the County Fire Marshal, State Fire Marshal, County Sheriff, and/or other law enforcement agencies or their designees. It is agreed that the VFD shall suspend any member of the VFD who fails to provide information and statements relative to such investigations as lawfully requested by any law enforcement agency, designated agent of the COUNTY for arson investigations, County Sheriff, and/or County or State Fire Marshal and their designees.

(g) The books and records maintained for operating VFD shall be open to inspection by the COUNTY or its designated representatives during normal business hours.

(h) VFD shall submit a financial report to the COUNTY no later than three months after the close of the VFD's fiscal year.

(i) The VFD shall file a TXFIRS report with the State Fire Marshal's office within two weeks of the end of the month that an incident occurred. The Wise County Fire Marshal is authorized to review and update all fire incident reports filed by the Fire Department with the State Fire Marshal's office.

(j) VFD shall maintain a "current" status throughout the term of this agreement as a First Responder Organization (FRO) per Texas Administrative Code 157.14.

(k) If the VFD is utilizing COUNTY property, the attached "Wise County Asset Control Verification Form" must be completed and returned with this agreement. If the form is not completed and returned with the agreement, said property will become subject to forfeit to the COUNTY.

(l) The VFD shall maintain statutory workers' compensation coverage for its employees, officers and volunteers regarding the VFD's performance under this contract. The VFD recognizes that the COUNTY has no responsibility to furnish this coverage and VFD waives any right to pursue the COUNTY for liability regarding payments for this coverage or for liability regarding payments for claims filed against this coverage.

CONSIDERATION

For the services provided above, the COUNTY shall provide to VFD a sum not to exceed $4,200.00 per month during the term of this contract. All sums to be paid under this contract by the COUNTY shall be made from current revenues available.

GENERAL APPORTIONMENT OF RESPONSIBILITY AND IMMUNITY IN ACCORDANCE WITH GOVERNMENT CODE 791.006 (A-1)

In difference to 791.006(a), in the event of joint or concurrent negligence of the parties, responsibility, if any, shall be apportioned comparatively in accordance with the laws of the State of Texas, without, however, waiving any governmental immunity available to either party individually under Texas law. The VFD shall be responsible for its sole negligence. The COUNTY shall be responsible for its sole negligence. The provisions of this paragraph are solely for the benefit of the parties hereto and are not intended to create or grant any rights, contractual or otherwise, to any other person.

NOTICE OF NONAPPROPRIATION

If, for any fiscal year, a party fails to appropriate funds in amounts sufficient to pay or perform its obligations under this Agreement, such party shall endeavor to provide thirty (30) days notice of its intent not to appropriate the necessary funds for its performance of obligations under this Agreement.

DEFAULT

In the event either party shall fail to keep, observe, or perform any provision of this contract, the breaching party shall be deemed in default. If such default shall continue for a period of thirty (30) days after notice thereof by the non-breaching party to the other, then the non-breaching party shall be entitled to terminate this contract immediately.

EFFECTIVE DATE

The effective date of this agreement shall be October 1, 2015, or the date that both parties have signed within the 2015-2016 fiscal year, whichever is the later, and this contract shall expire at midnight of September 30, 2016.

The COUNTY is expressly prohibited by the Constitution of the State of Texas from creating a debt without providing for a tax to pay the debt. "Debt" means any obligation to be paid for with future rather than with current revenues. Any agreement that would provide for automatic renewal of this contract would necessarily provide for payments that would have to be made from future revenues. Without a special tax, there can be no lawful automatic renewal of this contract. Instead a new contract must be executed for each fiscal year. **The fiscal year of the COUNTY is from October 1 through September 30 of the next calendar year.**

Consequently, there shall be no automatic renewal of this contract. It is agreed that renewal of a fire protection services contract between the COUNTY and the VFD, must be by execution of a new contract for each fiscal year on or before October 1 of the fiscal year covered by the contract that is expiring.

TERMINATION

A. **By Mutual Agreement**: This Agreement may be terminated by mutual agreement of the VFD and the COUNTY, as evidenced by a written termination agreement.

B. **For Nonappropriation of funds**: As mentioned above, if a party fails to appropriate funds necessary for performance of the obligations under this Agreement, the other party may terminate this Agreement.

C. **By Either party**: This agreement may be terminated at any time for convenience or fault upon thirty (30) days written notice to the other party.

DISPUTE RESOLUTION

(A) **Dispute Resolution Process.** Before commencing formal legal proceedings concerning any dispute arising under or relating to this Agreement, or any breach thereof, the Parties agree to observe the following Dispute Resolution Process.

(B) **Notice.** A written complaint which contains sufficient detail to clearly identify the problem(s) giving rise to the dispute, and the responding Party shall have a reasonable opportunity to respond.

(C) **First Resolution Meeting.** After consulting with and obtaining input from the appropriate individuals so as to facilitate a complete discussion and proposed solution, the Parties shall schedule a meeting and designate representatives to attend such meeting to attempt to facilitate an agreed resolution.

(D) **Second Resolution Meeting.** If the Parties' designated representatives cannot reach an agreed resolution, the following representatives shall meet to discuss the matter: VFD: Chief and/or Assistant or Deputy Chief; COUNTY: County Commissioner and/or County Judge.

(E) **Successful Resolution.** If resolution is made, it shall be reduced to a written agreement to be approved by each side's governing body. If approved, the written agreement will become an amendment to the original agreement. However, it will not supersede any term or condition except those dealing with the subject matter of the dispute.

(F) **Unsuccessful Resolution.** If all above options are completed and the Parties are unable to reach a resolution, either Party may pursue all legal and equitable remedies available to it under Texas law.

The CITY shall be responsible for its sole negligence. The COUNTY shall be responsible for its sole negligence. AGREEMENT FOR FIRE PROTECTION AND FIRST REPONDER SERVICES WITH AN INCORPORATED VOLUNTEER FIRE DEPARTMENT

STATE OF TEXAS §
§
COUNTY OF WISE §

FISCAL YEAR 2015-2016

WHEREAS, WISE COUNTY, TEXAS, hereinafter (COUNTY), a political subdivision of the State of Texas, has the authority under Texas Local Government Code, Chapter 352.001 to contract with an incorporated volunteer fire department that is located within the COUNTY to provide fire protection and first responder services to an area of the COUNTY that is located outside the municipalities in the COUNTY, and

WHEREAS, the GREENWOOD SLIDELL VOLUNTEER FIRE DEPARTMENT, hereinafter (VFD), an incorporated volunteer fire department located within the COUNTY,

WHEREAS, COUNTY and VFD represent that each is independently authorized to perform the functions contemplated by this Agreement.

WHEREAS, COUNTY is contracting with a private entity to provide a public service because the VFD has fire protection vehicles and other equipment designed for the extinguishing of fire, the providing of emergency services, and the prevention of damage to property and injury to persons from fire and other emergencies and has the control and use of volunteer members who are trained to properly utilize such vehicles and equipment and to provide fire protection and emergency services.

WHEREAS, This agreement and contract is made between the COUNTY and the VFD pursuant to the authority of Subchapter A of Chapter 352 of the Texas Local Government Code and pursuant to the general authority of the Commissioners Court to contract with private providers for services for the public.

NOW, THEREFORE in consideration of the above recitals, mutual benefits and promises each to the other made herein, the parties named above do hereby agree as follows:

PUBLIC PURPOSE

The purpose of this contract is to provide public fire protection and other limited emergency response services within the area of the COUNTY that lies outside the boundaries of any municipal government. The COUNTY has no authority to provide fire protection or most other emergency response services within the territorial limits of incorporated municipalities and by this contract does not attempt to usurp the authority of municipalities to manage, regulate and provide fire protection and emergency response services within their boundaries.

VFD OBLIGATION

The VFD as a part of this agreement, and as a condition of the payment by the COUNTY of any and all sums called for under this agreement, agree that:

(a) The VFD will provide fire protection and other emergency response services for all persons and property within the unincorporated area of said COUNTY. Further, the VFD agrees that it shall be the First Responder for emergency medical services within the unincorporated portion of the designated primary service area of the VFD. Additionally, the VFD agrees that it shall respond to mutual aid calls from any other fire department for fire protection services at any location within the unincorporated area of the COUNTY.

(b) Emergency services other than those concerning fire protection and other emergency response services is not the subject of this contract. All emergency services provided within the territorial boundaries of municipal corporations are solely within the jurisdiction and the area of responsibility of the relevant municipal government. No provision is made in this contract to provide services in any municipality. However, nothing in this contract is intended to prevent the VFD from providing other services in addition to the services contracted for herein, nor from providing services within municipalities, but in doing so, the VFD does not act as an agent of the COUNTY and the COUNTY assumes no responsibility for such services. In event the VFD provides services not provided for by this contract, **it is expressly agreed and understood that the VFD ASSUMES ALL RESPONSIBILITY FOR ANY INJURY OR DAMAGE SUFFERED BY ANY PERSON OR PROPERTY RESULTING FROM SUCH ACTION AND INCLUDING ANY DAMAGE OR INJURY CAUSED OR CONTRIBUTED TO BY REASON OF THE USE OR OPERTATION OF ANY EQUIPMENT OR TANGIBLE PROPERTY OWNED BY THE COUNTY OR PURCHASED BY THE COUNTY FOR THE VFD, AND THE VFD AGREES TO INDEMNIFY THE COUNTY FOR ANY AMOUNT SPENT BY THE COUNTY IN DEFENDING ITSELF IN ANY COURT ACTION ARISING OUT OF A SITUATION IN WHICH THE VFD UTILIZED SUCH EQUIPMENT TO PROVIDE NON-FIRE RELATED EMERGENCY RESPONSE SERVICES OR WHICH OTHERWISE ARISES FROM THE PROVIDING OF NON-FIRE EMERGENCY RESPONSE SERVICES, INCLUDING ATTORNEY FEES, COSTS OF COURT, AND OTHER EXPENSES REASONABLY NECESSARY IN PREPARING AND PRESENTING ANY DEFENSE IN SUCH MATTER AS WELL AS FOR ANY DAMAGES FOR WHICH THE COUNTY IS HELD RESPONSIBLE BY ANY COURT OF COMPETENT JURISDICTION.** It is further expressly understood and agreed that no official, employee or agent of the COUNTY has authority to bind the COUNTY to be liable for the manner or means of providing fire protection or other services in an incorporated municipality.

(c) The VFD shall use reasonable diligence and effort to provide the fire protection and emergency response services it has contracted to provide by this contract and to provide immediate and direct supervision of the VFD members, employees, agents, contractors, sub-contractors, and/or laborers, if any, in the furtherance of the purposes, terms, and conditions of this contact. The parties do not hereby waive any immunity, defense, privilege, or remedy provided by law.

(d) VFD agrees to cause its members and personnel providing fire protection services in performance of this contract, when performing said services, to conduct themselves in a professional manner and to comply with applicable laws. Non-member volunteers will not be used for fire protection by the VFD. All fire fighters of the VFD must be

members of the VFD and properly trained and equipped to perform fire protection duties. Radio communications will be conducted in accord with any rules, procedures or directives of the Sheriff of Wise County and/or County Fire Marshal. The VFD further agrees that it will cooperate with the County Fire Marshal to the extent provided for in Texas law.

(e) The VFD warrants that in carrying out the terms of this contract, it will not utilize any person under 18 years of age in the performance of the services to be provided under this contract.

(f) It is agreed that the VFD shall comply with any rules, procedures or directives of the County Fire Marshal for determining which fires warrant investigations, and shall cooperate with any such investigation made by the appropriate County Official or the designated agent of the County Fire Marshal, State Fire Marshal, County Sheriff, and/or other law enforcement agencies or their designees. It is agreed that the VFD shall suspend any member of the VFD who fails to provide information and statements relative to such investigations as lawfully requested by any law enforcement agency, designated agent of the COUNTY for arson investigations, County Sheriff, and/or County or State Fire Marshal and their designees.

(g) The books and records maintained for operating VFD shall be open to inspection by the COUNTY or its designated representatives during normal business hours.

(h) VFD shall submit a financial report to the COUNTY no later than three months after the close of the VFD's fiscal year.

(i) The VFD shall file a TXFIRS report with the State Fire Marshal's office within two weeks of the end of the month that an incident occurred. The Wise County Fire Marshal is authorized to review and update all fire incident reports filed by the Fire Department with the State Fire Marshal's office.

(j) VFD shall maintain a "current" status throughout the term of this agreement as a First Responder Organization (FRO) per Texas Administrative Code 157.14.

(k) If the VFD is utilizing COUNTY property, the attached "Wise County Asset Control Verification Form" must be completed and returned with this agreement. If the form is not completed and returned with the agreement, said property will become subject to forfeit to the COUNTY.

(l) The VFD shall maintain statutory workers' compensation coverage for its employees, officers and volunteers regarding the VFD's performance under this contract. The VFD recognizes that the COUNTY has no responsibility to furnish this coverage and VFD waives any right to pursue the COUNTY for liability regarding payments for this coverage or for liability regarding payments for claims filed against this coverage.

CONSIDERATION

For the services provided above, the COUNTY shall provide to VFD a sum not to exceed $4,200.00 per month during the term of this contract. All sums to be paid under this contract by the COUNTY shall be made from current revenues available.

GENERAL APPORTIONMENT OF RESPONSIBILITY AND IMMUNITY IN ACCORDANCE WITH GOVERNMENT CODE 791.006 (A-1)

In difference to 791.006(a), in the event of joint or concurrent negligence of the parties, responsibility, if any, shall be apportioned comparatively in accordance with the laws of the State of Texas, without, however, waiving any governmental immunity available to either party individually under Texas law. The VFD shall be responsible for its sole negligence. The COUNTY shall be responsible for its sole negligence. The provisions of this paragraph are solely for the benefit of the parties hereto and are not intended to create or grant any rights, contractual or otherwise, to any other person.

NOTICE OF NONAPPROPRIATION

If, for any fiscal year, a party fails to appropriate funds in amounts sufficient to pay or perform its obligations under this Agreement, such party shall endeavor to provide thirty (30) days notice of its intent not to appropriate the necessary funds for its performance of obligations under this Agreement.

DEFAULT

In the event either party shall fail to keep, observe, or perform any provision of this contract, the breaching party shall be deemed in default. If such default shall continue for a period of thirty (30) days after notice thereof by the non-breaching party to the other, then the non-breaching party shall be entitled to terminate this contract immediately.

EFFECTIVE DATE

The effective date of this agreement shall be October 1, 2015, or the date that both parties have signed within the 2015-2016 fiscal year, whichever is the later, and this contract shall expire at midnight of September 30, 2016.

The COUNTY is expressly prohibited by the Constitution of the State of Texas from creating a debt without providing for a tax to pay the debt. "Debt" means any obligation to be paid for with future rather than with current revenues. Any agreement that would provide for automatic renewal of this contract would necessarily provide for payments that would have to be made from future revenues. Without a special tax, there can be no lawful automatic renewal of this contract. Instead a new contract must be executed for each fiscal year. **The fiscal year of the COUNTY is from October 1 through September 30 of the next calendar year.**

Consequently, there shall be no automatic renewal of this contract. It is agreed that renewal of a fire protection services contract between the COUNTY and the VFD, must be by execution of a new contract for each fiscal year on or before October 1 of the fiscal year covered by the contract that is expiring.

TERMINATION

A. **By Mutual Agreement**: This Agreement may be terminated by mutual agreement of the VFD and the COUNTY, as evidenced by a written termination agreement.

B. **For Nonappropriation of funds**: As mentioned above, if a party fails to appropriate funds necessary for performance of the obligations under this Agreement, the other party may terminate this Agreement.

C. **By Either party**: This agreement may be terminated at any time for convenience or fault upon thirty (30) days written notice to the other party.

DISPUTE RESOLUTION

(A) **Dispute Resolution Process.** Before commencing formal legal proceedings concerning any dispute arising under or relating to this Agreement, or any breach thereof, the Parties agree to observe the following Dispute Resolution Process.

(B) **Notice.** A written complaint which contains sufficient detail to clearly identify the problem(s) giving rise to the dispute, and the responding Party shall have a reasonable opportunity to respond.

(C) **First Resolution Meeting.** After consulting with and obtaining input from the appropriate individuals so as to facilitate a complete discussion and proposed solution, the Parties shall schedule a meeting and designate representatives to attend such meeting to attempt to facilitate an agreed resolution.

(D) **Second Resolution Meeting.** If the Parties' designated representatives cannot reach an agreed resolution, the following representatives shall meet to discuss the matter: VFD: Chief and/or Assistant or Deputy Chief; COUNTY: County Commissioner and/or County Judge.

(E) **Successful Resolution.** If resolution is made, it shall be reduced to a written agreement to be approved by each side's governing body. If approved, the written agreement will become an amendment to the original agreement. However, it will not supersede any term or condition except those dealing with the subject matter of the dispute.

(F) **Unsuccessful Resolution.** If all above options are completed and the Parties are unable to reach a resolution, either Party may pursue all legal and equitable remedies available to it under Texas law.

GENERAL PROVISIONS

ARTICLE 4: ACCEPTANCE OF INMATES

4.1 COMPLICANCE WITH THE LAW

Nothing herein shall create any obligation upon the Contractor to house the County's inmates where the housing of said inmates will, in the opinion of the Contractor's Sheriff, raise the population of the facility above the permissible numbers of inmates allowed by law or will, in the Contractor's Sheriff opinion, create a condition of
Over crowding or create conditions which endanger the life and/or welfare of personnel and inmates at the facility or result in possible violation of the constitutional rights of the inmates housed at the facility,

At any times that the Contractor's Sheriff determines that a condition exists at the Contractor's facility necessitating the removal of the County's prisoners or any specified number thereof, the County shall, upon notice by the Contractor's Sheriff to the Sheriff of the County, remove said prisoner(s) from the facility within eight hours.

In the event such prisoner(s) are not removed by County, Contractor may deliver up such prisoner(s) to the Sheriff or Denton County at the cost and expense of the County.

4.2 ELIGIBITY FOR INCARCERATION AT FACILITY

The only inmates of the County eligible for incarceration in the Contractor facility under this agreement are non-high risk inmates.

An inmate must be considered as non-high risk in accordance with State standards and under both the Jail Commission approved custody assessment system in place at the County's jail and pursuant to the custody assessment system in place at the Contractor's facility before the inmate is eligible for incarceration at the Contractor's facility.

All inmates proposed by the County to be transferred to the Contractor's facility under this Agreement must meet the eligibility requirement set forth above.

The Contractor reserves the right to review the inmate's classification and/or eligibility and the right to refuse to accept any inmate that it does not believe to be properly classified as a non-high risk inmate.

Furthermore, if any inmate's classification changes while incarcerated at the Contractor facility, the Contractor reserves the right to demand that the County remove that inmate and County may replace said inmate with a non-high risk inmate of the County.

4.3 RESERVATION WITH REGARD TO ACCEPTANCE OR CONTINUED INCARCERATION OF INDIVIDUAL INMATES

Contractor reserves the right for its Sheriff or his designated representative to review the background of all inmates sought to be transferred to the Contractor's facility and the County shall cooperate with and provide information requested regarding inmate by the Contractor's Sheriff.

The Contractor reserves the right to refuse acceptance of any prisoner of the County.

Likewise, if any inmate's behavior, medical or psychological condition or other circumstance of reasonable concern to the Contractor's Sheriff makes the inmate unacceptable for continued incarceration in the Contractor's facility in the opinion of the Contractor's Sheriff, the County will be requested to remove said inmate from the facility and shall do so within eight hours upon the request of the Contractor's Sheriff upon request of the Contractor's Sheriff.

Inmate may also be required to be removed from the facility when their classification changes for any purpose, including long-term medical segregation.

In the event of the County's failure to remove such inmate within eight hours, Contractor may deliver up such inmate to the Sheriff of Denton County at the cost and expense of County.
