

# 2021 Board of Directors Nomination Form

## How Nomination Works:

The Board of Directors; excluding associate board members, shall be nominated for election by the Nominating Committee. The members nominated should have expressed their willingness to serve. The Nominating Committee shall work during the year in order to seek out potential candidates for nomination.

Any member in good standing may nominate any additional candidate at the time of elections. A member should not arbitrarily nominate someone unless they have determined that potential candidate's willingness to serve.
